### ***2.5.1. Mechanism of internal assessment is transparent and robust in terms of frequency and mode***

The institute is affiliated to K.B.C. North Maharashtra University, Jalgaon (M.S.) and follows the syllabus of the university. As part of syllabus, the internal assessment of students includes Internal Sessional Examination (ISE) for theory subjects and Internal Continuous Assessment (ICA) for practical & project.

In each term, Three ISEs, each of 20 marks, are conducted as per the academic calendar of the institute, and best TWO is considered as ISE marks in the respective subject. The evaluated ISE answer papers are shared with students as a part of transparency.

Evaluation of ICA for practical is done on the basis of Attendance (A), Performance (P), Journal (J), and Viva (V). The assessment of ICA for Project is as per guidelines given in the syllabus that includes students' performance, active participation, knowledge / skill acquired throughout semester and presentation by the students.

As a part of transparency, grades of ICA and marks of ISE are notified time to time to the students by displaying on the notice board and through WhatsApp.

More particularly during the COVID – 19 pandemic, the internal assessments are conducted through online as per scheduled time. For descriptive answers in ISE, the answer papers are collected by email within the time limit. The evaluated ISE answer papers are shared online with students. For multiple choice questions in ISE, the answers are collected through Google forms. The submitted Google forms are evaluated and communicated to students through email along with correct answers. Similarly, for ICA of practical, online viva are conducted based on practical demonstrated by the concerned teacher. And for ICA of project, the assessment is conducted through online presentation by the students.

**Mode of Examination: MCQ & ONLINE through GOOGLE FORM**

**INSTRUCTIONS FOR STUDENTS**

**Date: 02/07/2021**

1. Internal Sessional Examination –III (ISE – III) for TE & BE Chemical Engineering is scheduled from July 09 to 12,2021, which will be conducted on Multiple Choice Questions based on Unit – V of the syllabus. ISE – III will be conducted through Google Form.
2. There will be 30 multiple choice questions with Half an Hour duration. Student should attempt minimum any 20 questions and passing is 08 marks out of 20 marks. Each question carries ONE mark and there is no negative marking. If any student attempts more than 20 questions with more than 20 correct answers then his mark should be curtailed to 20.
3. The link of Google Form will be shared five minutes before the scheduled time, on the respective official Whatsapp group of TE & BE Chemical Engineering Class.
4. After completion of exam, students can submit the google form upto 11.30 am for morning session exam & 3.30 pm for afternoon session. (However maximum 10 minutes grace period will be provided (if required.), for any non-avoidable circumstances.)
