**4.1.1: - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.**

Since establishment in 1983, SSBT's College of Engineering and Technology, being infrastructure as one of its strength, has developed all-round to provide conducive environment for the students. The institute believes that the adequate infrastructure and physical facilities provide plenty of opportunities to both students and faculty for their inclusive growth & development.

Being one of the most preferable learning institute in this region, the institute has never compromised with infrastructural facilities be it buildings, laboratories, library, equipment, computers, software, books and other learning resources. The campus is lush green, spread over 21.5 acres area and located on the bank of river 'Girna'. As a learning institute, the institute has adequate infrastructure such as classrooms, drawing halls, laboratories, seminar halls, library, computer center, workshop, hostels, canteens, indoor as well outdoor sports facilities, gymnasium, yoga hall etc., covering total built-up area of 31734 sq. m.

**Classrooms and Tutorial Rooms:** Each classroom is specifically designed in spacious and proper shape with comfortable sitting arrangement for effective communication between teacher and students. Institution has 38 classrooms with total carpet area of 3171 sq.m. that is 26% more than the required area. All classrooms are equipped with ICT-enabled facilities to adopt appropriate teaching methodology. For conducting tutorials and academic counseling, students are divided into smaller groups and the activities are carried out in tutorial rooms.

**Seminar Halls:** The institute has 3 central seminar halls that are available to interact with larger group of students or to conduct expert lectures, curricular, extra-curricular and other activities. They are equipped with ICT-enabled facilities. In addition to this, there are 5 departmental seminar halls.

**Laboratories:** All laboratories are fully equipped with the required equipments and machineries to conduct all types of practical prescribed in the curriculum. In total, there are 88 laboratories in the institute, having carpet area of 7050 sq. m. which is 22% more than the required area.

**Computing Facility:** It consists of 987 desktop computers with necessary software as per the curriculum and 85 printers. The institute has the subscription of Microsoft Edu-Cloud. All desktop computers are connected with 100 Mbps

Internet leased line through Next Generation Firewall. The institute has Wi-Fi zones across all corners of the campus through 60 Wi-Fi Access Points.

**Library:** The Central Library of the institution is spread over 1251 sq.m. which is almost double than the required area. The library includes all facilities of the conventional library and as well the facilities of digital library. The conventional library has sufficient number of printed titles, volumes, journals and magazines to cater the need of students. And the digital library has necessary e-resources like e-books, e-journals, NPTEL videos etc.

**Workshop:** The workshop of the institution is fully equipped with several machineries viz. CNC Lathe and Milling machine, Universal Milling machines, Conventional Lathe machines, Radial Drilling machine, Shaper machine, Wood Turning machine etc. for students. Total outlay for workshop is Rs. 49.41 lakhs.
