1. Usage of Library by Teachers and Students year 2019-20

Shram Sadhana Bombay Trust`s College of Engineering & Technology, Bambhori, Jalgaon(MS)

Central Library

Key Indicator – 4.2 Library as Learning Resource (20)

4.2.4 Percentage per day usage of library by teachers and students (5)

The library has a rich collection of books over two Crores and is one of the best in this region. In order to ensure that the benefit of library should percolate down to the student, the library hours are kept as 8 a.m. to 6.p.m. and students are having free access to the library. The user's ratio is given below in table. It is seen that due to pandemic situation after 2020, the use of library is very much limited. Hence the data of last 4 years is presented. In previous three years also the numbers of users have reduced. It is due to the use of E-resources, use of moodle by the college and the inclination of faculty towards animation videos and YouTube videos for teaching. Generally the teachers once issuing a book keep it with them for the entire academic year. Students are also using e-resources, internet etc for their learning. Therefore there seems to be downward trends on the usage of Library.

Central Library**

This is to certify that per day usage of library for circulation, reading room and reference section is as follows:

Detail of Physical users accessing library: 2019-20

A) Number of Physical users accessing Library for circulation purpose

Formula :
$$\frac{\text{Number of Teachers and Students using library per day for issue, return and entry register}}{\text{Total Number of Teachers and Students}} \times 100$$

Average number of users visiting library for circulation facilities: 89

Total Number of Teachers and students

Total Number of Students: 2474

Total No of Teaching Staff: 125

Total No : 2599

Average : $\frac{89}{2599} \times 100 = 3.42$

Average number of users Accessing library = 3.42%
