D. 1 of the above

E. None of the above

### **Description**

The institute adheres to the idea of Environment Conscious Sustainability. A policy has been framed keeping in mind the need for conservation of nature. The institute has been certified with ISO 1400:2005 for its environment management system. Environmental green audit is done with regard to water management, solid waste management and efficient ways of using electricity. Activities like river cleanliness after Ganesh immersion have been carried out. The institute has been given membership as 'Maharashtra Haritsena' by the forest Dept. of Maharashtra. Green Compliance certification is also received by the institute by Quality Compliance Certification of India.
