To,
The Head of Department,
Mechanical Engineering Department
SSBT's COET, Jalgaon.

Subject: Report of visit to industries in Jalgaon MIDC.

R/Sir,

As per the above said subject we the undersigned were deputed to visit industries in Jalgaon MIDC on 11/01/2021.

Following is the report of work:

Number of companies visited: 02

1. Supreme Pvt. Ltd. Gadegaon.
2. Star Coolers and Condensers, Jalgaon.

- In supreme Pvt. Ltd. we met with Mr. Vipul B. Parekh Dy. Manager, Sales and Marketing. We gifted him Diary, college memento and Brochure as a token of love. We had fruitful discussion which helped us to know various departments of organisation and their head.
- The further discussion helped us to meet with Mr. Lalit M. Borole, Asst. Manager-HRD and Admin. We felicitated Mr. Lalit with College Memento and Brochure. He briefed us the requirement and process of hiring graduates for apprentice. He said that students should have sound knowledge of his subjects and should have disciplined behaviour. He also mentioned the need and importance of communication skills. The discussion end with the conclusion to recommend the students with sound technical knowledge, good communication skills and well disciplined. The apprentice-ship applications starts in the month of December. Apprentice starts in January after successful completion of formalities. He mentioned the remuneration to be provided as 9500 Rupees per month per candidate. He also mentioned the availability of bus facility for to and fro travel.
- Mr. Vipul B. Parekh arranged our meeting with Mr. S. Y. Prabhudesai, Sr. Manager. He specially mentioned about his friendly relations with Er. N. K. Patil sir and Dr. S. P. Shekhawat sir. We felicitated him with diary, College Memento and Brochure. He

focused on the Industrial training of students, its duration and need of college mentor for a group of students so as check with progress of training and requirement of company from time to time throughout the duration of training. He also mentioned that, organisation will provide opportunity to our students in future requirements.

- In Star Cooler and condensers Pvt. Ltd. MIDC Jalgaon, we met with Mr. Manoj Dadheech Sr. Manager- Commercial and Amol Baviskar, Manager-Quality. We felicitated them with diary, College Memento and Brochure. We had visited the various shops of organisation to understand the processes that are carried out. It will be helpful for us to guide our students during the placement to brief about the company and processes. We had discussion on the recruitment and apprentice requirement as well as Industrial training requirements. They assured us that they will provide opportunity to our students for apprenticeship and Industrial training in future.

Yours Faithfully,

Training and Placement Co-ordinator

1. Mr. P. M. Solanki -

2. Mr. Ajay J. Puri -

Subject: - Detail of industrial visit at Nasik.

Through ~~HOD~~, Mechanical,

Through Vice Principal,

R/Sir,

We received permission of industrial visit for final year Mechanical students in Epiroc Mining India Pvt. Ltd., Balaji Ganesh Engineering and Nasik Engineering Cluster, Nasik on 4th Oct. 2019. As per previous permission letter we are deciding to visit in these industries.

Detail schedule of the program are as follows.

Date	Time	Activity
04/10/2019	4.30 A.M.	Departure from Jalgaon
	10.30 A.M.	Visit to Epiroc Mining India Pvt. Ltd.
	1.00 P.M.	Lunch at Nasik Engineering Cluster
	2.00 P.M.	Visit to Nasik Engineering Cluster
	4.00 P.M.	Visit to Balaji Ganesh Engineering
	5.30 P.M.	Halt at Swami Samarth Kendra, Trainbakeshawar
05/10/2019	10.30 A.M.	Visit to Saputara
	5.30 P.M.	Return to Jalgaon

Four faculty members are accompanying the students.

So kindly permit for the same.

Thanking You.

Yours faithfully,

Dr. P. G. Damle
Assot. Prof, Mechanical

Sir,

As per your letter for industrial visit we can conduct training on 19/07/2019 at 12 PM for first batch of 70 students and 1 Pm for remaining 70 student .Yippee TEchnology Pvt Ltd working in the field of cyber security since 2011 from last year we started initiative of "Cyber surakshit college "in which we distribute antivirus to all students of college . We charge minimum amount for training Rs 250 per student.

Introductory Topic covered in Training

- Scope Of Cyber Security
- Malware Analysis
- Static Malware Analysis
- Dynamic Malware Analysis
- Malware Incident handling
- Cyber threat Incident analysis
- Machine learning Approach for Vulnerability handling
- Incident response support
- Incident coordination
- Vulnerability analysis
- Vulnerability response
- Vulnerability coordination
- Forensic analysis
- Security audits/assessments
- Adoption of security tools
- Development of security tools
- Intrusion detection services
- Security awareness raising
- Risk analysis
- Disaster recovery
- Security consulting
- Awareness building
- Education/training
- Product evaluation

Thanks and Regard
Chief Investigator

Subject: Permission for Industrial Visit

Respected Sir,

As a part of curriculum, Final year BE Computer Engineering students are supposed to visit TWO industries under Industrial Visit.

As per the email dated July 17, 2019 received from Sahaj Academic Edutech LLP, Jalgaon, they have given their consent for industrial visit of our students on 20/07/2019 at Jalgaon. The copy of email is attached herewith.

So therefore we request you to kindly permit us for the same.

Dr. Manoj E. Patil and Mr. Dipak D. Bage may please be permitted to join with students to coordinate the visit.

Thanking you.

With regards

(Dr. Girish K. Patnaik)
Prof. & Head

Vision: To emerge as the leading Computer Engineering department for inclusive development of students.
Mission: To provide student-centered conducive environment for preparing knowledgeable, competent and value-added computer engineers.

Cc: sanvog mulay <sanvog@contraitech.com>

Dear Sir

With reference to your letter for industrial visit, we can conduct training on 20th July 2019 (Saturday) in two batches. First batch of 70 students between 10 AM to 12:00 noon and second batch of remaining 70 students between 1 PM to 3:00 PM. Charges for this training session will be Rs. 150 per student.

I would also like to inform you that Contraitech, the Software development wing of Sahaj Academy Edutech LLP has taken following initiatives, which I think will be beneficial to the engineering students

- 1. **Gateway to industrial world** – an industrial training program for 3 months, 3 hrs per day. Purpose of this program is to prepare students for rigour and vigour expected by industry. (Fees: Rs. 10,000/- per participant)
- 2. **Design your Destiny** – 5 hour light transforming soft skills workshop. (Fees: Rs. 750/- per participant)

We would request you to encourage students of SSBT COET to take benefit of these opportunities.

Thanks and Regards,
Vinay Kaddare

Subject: Regarding Industrial visit of BE (IT).

Respected Sir,

As per New CGPA BE syllabus, two industrial visits shall be carried out by each student in 7th semester. We have done 1st Visit to Doodh Fedration Jalgaon on 27/07/2019. For the 2nd visit dr. U. S. Bhadae did telephonic discussion with Mr. Manoj Chandak (Director of Excellent Software) on 30th July, 2019.

The students will directly come to Excellent Software, Jalgaon by their own. Two staff members Dr. U. S. Bhadade and N. P. Jagtap will accompany the visit.

I, therefore kindly request you to please permit us to take students to Excellent Software, Jalgaon on 02/08/2019 for the visit and sanction DL.

Thanking You.

Your's Sincerely,

Dr. Umesh S. Bhadade

REPORT

One Day, "Industry Institute Connect at IMTMA, Pune" Dated 26/11/2019.

Date: 19.12.2019

- **Mr. Prasad in his introductory remark, Mentioned following points: He had given introduction to various activities of IMTMA.**
 - **IMTMA- Institute Innovation Collaboration:** An attempt to bring industry and educational institutions together is the IIC initiative.
 - **Tooltech:** Tooltech is a premier event concurrent to IMTEX showcasing machine tool accessories, metrology and CAD/CAM cutting tools, tooling systems and current trends in the tooling industry.
 - **Connect:** Platform to interact with industry experts they get to understand how machine tool industry helps in industry growth and the role of an engineer in the manufacturing industry.
- **Session one: Connecting with the World of Work an approach to develop Industry Ready Engineers by, Prof. Dr. V. V. Kulkarni, and Director Sanjay Ghodawat Group of Institutions.**
 - The session started with the brief of number of Engg institutes in academic year 2018-19, their intake and total enrolment.
 - Focused on employability issue of students and mentioned only 40% students are employed, also mentioned very less % of graduates are employable.
 - Mentioned various hurdles such as Traditional Engineering Branches and it should be redesigned to meet needs of industry.
 - Industry is moving with very fast pace than the academics, Lack of research approach in students, Lack of trained faculty, lack of updated knowledge in faculty, Less industry exposure, students approach such as education is theory based only, prepare only for exams, lack of industry exposure, not focused.
 - Less contribution from industry in Curriculum design, Internship, Training, Paid internship business.
 - Industry integrated programs need to be designed and introduced.
 - Setting up of Centre of Excellence at the institute, use of institute as research lab and student and faculty as research staff.
 - Setting up of Industry institute cell in Industry.
- **Session two: Future of Manufacturing by Mr. Gautam Doshi.**
 - The session focused on the future trends of manufacturing.
 - It focused on the need to incorporate intelligent systems of manufacturing.

- The integration of man at work and robots plays vital role in increasing production as well as safety in work.
- **Session three: Industrial Design and Augmented Reality by, Mr. Avinash Khare.**
- Session started with benefits of Mechanical Engineering for students.
- The session focused on various design aspects one should consider while designing a product or service.
- He mentioned that we must design for the way people behave and not for how we would wish them to behave.
- The session highlighted the need of innovative design to comfort needs of people.
- **Session Four: Panel Discussion (Industry and Academicians)**
- The session focused discussion on various things such as expectation of industry from students, attitude of student's, communication skill of students, pace of institutes as compared to industry, need of society beneficial oriented projects.
- Faculty should visit industry and prepare report of each industry they visit and must present it to students.
- Students should understand working culture and importance of various facilities in industry.
- Industry and Institute should find value in each other.
- Institute should tune syllabi to what industry need.
- Innovation Cell will be formed at IMTMA to respond to call for research project with IMTMA and other Small Scale Industries.
- Visited Ambition Placement Services Shivaji nagar Pune and discussed about requirements of students placement. The discussion lead to conclusion that they are currently having opening for clients in Aurangabad. The salary range they are offering is less than 10000 rupees per month.
- Visited Ladder Placement Services Pune, the back office located at Ganesh Park Sinhgad road. Information of the key person, location of firm and its service was collected from nearby people. The owner of firm works in Kolhapur and main office is also located in Kolhapur.

Respected Sir,

As per discussion with Shri D.K.Pawar sir (PRO), we would like to visit your esteemed organization on 11th October 2018. It is a part of university curriculum to visit industry for enhancing industrial exposure of students. There will be total 12 students along with two faculty members who would visit your prestigious bio gas, food processing plant, biotechnology laboratory and Gandhi Tirth. On our part we will strictly observe rules and regulations of the industry during visit. Please grant us the permission for the same and oblige.

Thanking You

Dear sir,

This has reference to your trailing email regarding the permission for industrial visit of **12 Students** and **02 teachers** from your Institute. In this regard, we are pleased to inform you that, you may visit our organization on **11th Oct 2018 at 10.00 am**. Your visit will cover **Energy Park, Food Park & Agri Park**.

The visit of **GRF (Gandhi Research Foundation)** situated at Agripark, Jain Hills will be an integral part of your industrial education visit. Further details of GRF can be traced from our website <http://www.jainshikshansamithi.org/>

For visit vehicle to be arrange at your end.

You may kindly note that our campus is no tobacco / smoking zone and Usage of Mobile phone is restricted.

Give your confirmation with student details on email for same.

Respected Sir,

As per discussion with Shri D.K.Pawar sir (PRO), we would visit your esteemed organization on 29th September 2018. It is a part of academic curriculum to visit industry for enhancing industrial exposure of students. There are total 150 students along with five faculty members who would visit your prestigious solar, bio gas and food division. On our part we will strictly observe rules and regulations of the industry while visit.
Please grant the permission for the same or as per your convenience
Thanking You

With Regards,

Pradeep M.Solanki

Industrial Visit of SSBT COET, Jalgaon at Tudip, Pune

Tudip Recruitment <joinus@tudip.com>
To: Sushant Bahekar <sushant.bahekar@gmail.com>
Cc: Human Resource <hr@tudip.com>

Tue, Jul 11, 2017 at 3:25 PM

Dear Sushant,

This is to quickly apprise you that **Tuesday, 25th July 2017 at 12:30 PM** is a suitable date and time for us for an Industrial Visit of your students.

Please find the contact information below:

- Locate: <https://www.google.co.in/maps?ie=UTF-8&q=Tudip+Technologies+Pvt+Ltd&fb=1&gl=in&hq=tudip+technologies+map>
- Contact Number: (020-46740881) / (9689900537)

In any case, please feel free to contact me anytime and I would be happy to help you.

A few questions/comments that I have about the meeting itself:

- Let me know how many people would be coming over for this visit so that I would be better prepared for this as I have to arrange few things.

In the meantime, please feel free to browse through the following URLs to know what all we had been up to:

- Website: www.tudip.com | www.steersimple.com
- Like us on Facebook: www.facebook.com/TudipTechnologies
- Follow us on Twitter: <https://twitter.com/TudipTech>
- Check us on LinkedIn: <https://www.linkedin.com/company/tudip-technologies-pvt-ltd>
- Blog: <http://tudip.com/blog/>
- Tudip in news: <http://tudip.com/insights/>
- India Office: Tudip Technologies Pvt Ltd | 4th Floor | Datta Mandir Rd | Wakad, Pune | Maharashtra 411057
- US Office: 1999 S | Bascon Avenue Suite 700 | Campbell 95008 | California, USA

Looking forward for the fruitful discussion with young bright minds in our office.

Regards,

Subject: Seeking permission for Industrial Visit

Dear Sir / Madam,

SSBT's College of Engineering & Technology, Bambhori, Jalgaon, established in 1983 conducts UG Program in 1. Biotechnology, 2. Chemical Engg., 3. Civil Engg., 4. Computer Engg., 5. Electrical Engg., 6. Electronics & Telecommunication Engg., 7. Information Technology, 8. Mechanical Engg., 8. and PG Program in Computer Engineering (Computer Science and Engineering), Electrical Engineering (Electrical Power System) and MBA (Human Resource, Finance, Marketing, Operations & Materials Management).

With reference to above subject, the students of final year Mechanical Engineering have to visit to industry as a part of curriculum. We are very interested in visiting your esteemed company preferably on 25th September, 2017. If not possible please give your suitable date.

Accordingly, we request you to grant us permission to visit your esteemed industry. The number of students for this visit shall be approximately 140 students along with faculty members of the department.

This is for your kind information and needful.

Hoping for a favorable response.

Thanking you.

Yours faithfully,

Prof. D. S. P. Shekhawat
HOD

Department of Mechanical Engineering

Vision: To nurture the students by providing high quality broad based technical education for global societal development and continuous improvement in value added knowledge.

Mission: To cultivate a conducive environment through teaching application specific learning and services to foster the technical critical thinking ability of the students as well as the faculties to contribute for developing global mechanical engineering professionals and well being of the society.

A few questions/comments that I have about the industrial visit itself:

- Let me know how many people would be coming over for this visit so that I would be better prepared for this as I have to arrange few things.

Please feel free to contact me anytime and I would be happy to help you. Looking forward for the fruitful discussion with young bright minds in our office :)

Subject: Regarding Industrial Visit at Deepnagar

Respected Sir,

Computer Engineering Department has got consent for Industrial Visit at Bhusawal Thermal Power Station, Deepnagar for our BE Computer students on 16/09/2016 (A section) & 17/09/2016 (B section). As per the Telephonic discussion, faculty members must be present during the Visit. So following faculty members have agreed to go at BTPS, Deepnagar.

Date	Name of Faculty	Class
16/09/2016	Mr. Dipak D. Bage	BE Computer (A section)
	Mr. Sushant S. Bahekar	
	Mrs. Dhanashri Tayade	
17/09/2016	Mr. Dipak D. Bage	BE Computer (B section)
	Mr. Sushant S. Bahekar	
	Ms. Priti R. Sharma	

So therefore we request you to permit us for the same and DL, TA & DA for the above said faculty member may be sanctioned.

Thanking you.

Yours faithfully,
