

Add-on course

Civil Engineering Department conducted add-on course on "Advancement in Concrete Technology" during the period 26th to 30th October 2021. The course is for Second year, third year and final year students of civil engineering department. The course coordinator is Dr Pravin Ashok Shirule, Associate professor of Civil engineering Department. The course is for 6 hour each day so that total hours are 30 hours. On each day one faculty member for one class conduct a course for 6 hours including teaching, NPTEL videos, presentation and practical explanation etc.

Total near about 250 students are participated in course. On last day feedback of add-on course taken and certificates are distributed. Following is the feedback analysis.

Sr No	Point	% Analysis				
		1	2	3	4	5
01	How do you rate the technical content of the course?				✓	
02	How do you rate the relevance and applicability of the course for your career?				✓	
03	How do you rate the utility of course from job perspective?				✓	
04	How do you rate the planning and overall management of the course by the coordinator? (Dr P A Shirule)					✓
05	How do you rate the resource persons Mr P R Punase on topic Self Compacting Concrete?				✓	
06	How do you rate the resource persons Mr J N Kale on topic RMC Plant?				✓	
07	How do you rate the resource persons Ms S B Patil on topic Green Concrete Plant?				✓	
08	How do you rate the resource persons Ms J R Mali on topic Shortcrete concrete?				✓	
09	How do you rate the resource persons Dr P A Shiule on topic Study of IS Codes required for different test and design of Concrete?				✓	
10	Would you recommend others to join the course?				✓	

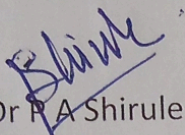

Note: Process of calculating average (representative) grading: The grading options on each criterion are varied in the range 1 – 5. The grade points on each criterion are added and divided by the number of students responding. The average grade thus obtained is rounded up to the nearest whole number.

 30-10-2021

NOTICE

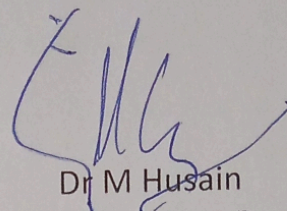

All final year Civil Engineering students are hereby informed that, our Civil Engineering Department organizing one week Add-on Course on "Advancement in Concrete Technology", during the period 26th to 30th October 2021. It is mandatory to attend the course, registered on link provided below.

Dr P. A. Shirule

Add – on Course Coordinator

Schedule is attached herewith.

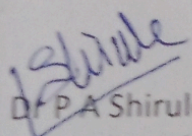

Dr M Husain
Head Civil Engineering Department
Head, Civil Engineering
SSBT's College of Engg. & Tech.
Bambhori, Jalgaon (M.S.)

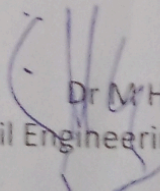

SSBT's College of Engineering & Technology, Bambhori, Jalgaon
Civil Engineering Department
One Week Add – on Course (26th to 30th October 2021)
Advancement in Concrete Technology

Date 12/10/2021

The Add-on Course on Advancement in Concrete Technology will be conduct for Final Year Civil Engineering Students as per following schedule:

Sr No	Date	Timing	Topic	Name of Faculty
01	26/10/2021	11:00 to 12:00 AM 01:00 to 05:00 PM	Self Compacting Concrete	Mr P R Punase
02	27/10/2021	11:00 to 12:00 AM 01:00 to 05:00 PM	RMC Plant	Mr J N Kale
03	28/10/2021	11:00 to 12:00 AM 01:00 to 05:00 PM	Green Concrete	Ms S B Patil
04	29/10/2021	11:00 to 12:00 AM 01:00 to 05:00 PM	Shortcrete concrete	Ms J R Mali
05	30/10/2021	11:00 to 12:00 AM 01:00 to 05:00 PM	Study of IS Codes required for different test and design of Concrete	Dr P A Shirule

Dr P A Shirule
Course Coordinator

Dr M Husain
Head Civil Engineering Department

Head, Civil Engineering
SSBT's College of Engg. & Tech.
Bambhori, Jalgaon (M.S.)

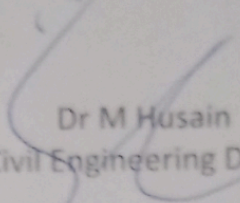

NOTICE

All Third year Civil Engineering students are hereby informed that, our Civil Engineering Department organizing one week Add-on Course on "Advancement in Concrete Technology", during the period 26th to 30th October 2021. It is mandatory to attend the course, registered on link provided below.
