

EVENT REPORT

Eureka Pitching Competition 2025

Event Name: Eureka Pitching Competition

Organized by: SSBT IGNITE (E-Cell)

Institution: SSBT COET, Jalgaon

Date: 21 August 2025

Time: 11:00 AM

Venue: College Computer Department

About the Event

The Eureka Pitching Competition was organized to promote innovation, creativity, and entrepreneurial thinking among students. It provided a platform for participants to present their startup ideas and gain exposure to real-world business challenges.

Participants presented their startup concepts by explaining their ideas, problem statements, and solutions. They highlighted their target audience and uniqueness, while judges evaluated them based on innovation, feasibility, scalability, and presentation skills. The interaction with judges helped students improve and refine their ideas.

The best startup ideas were selected as winners and received funding support from the E-Cell to turn their ideas into reality. Overall, the event was a success, encouraging students to think creatively and take their first step towards entrepreneurship.

Guests

- Dr. Manoj Patil Sir (HOD, Computer Department)
- Prof. Pramod Gosavi Sir (Faculty Advisor, SSBT IGNITE)

Objectives of the Event

- To promote entrepreneurship and startup culture among students.
- To encourage innovative thinking and creativity.
- To provide a platform for presenting startup ideas.
- To develop problem-solving skills.
- To enhance public speaking and pitching skills.
- To connect participants with mentors and industry experts.
- To support ideas that have real-world impact.
- Build confidence and leadership qualities.

• **Winners:**

1. Tushar Mistari and team
2. Romil jain and team
3. Aniket chaudhary and team

▣ Outcome of Event

The **Eureka Pitching Competition** helps participants improve their pitching skills, confidence, and entrepreneurial mindset. It provides exposure to the startup world, expert feedback, and networking opportunities.

★ Highlights of the Event

- Presentation of innovative startup ideas by participants.
- Live pitching sessions in front of expert judges.
- Creative use of presentation and prototypes.
- Valuable networking opportunities.

Challenges & Future Scope

⚠ Challenges Faced

- Time limitation during pitching and presentations.
- Stage fear and nervousness among participants.
- Difficulty in clearly explaining complex startup ideas.
- Strong competition from other innovative ideas.
- Managing team coordination and preparation.

🔧 Need of Improvement

- Provide more pre-event training or workshops on pitching.
- Include more industry experts and mentors.
- Improve event scheduling and time management.
- Create more networking and interaction opportunities.

🚀 Future Scope

- Expansion to a larger scale with more participants and colleges.
- Opportunities for funding and startup incubation.
- Collaboration with industry experts and investors.
- Development into a national-level startup platform.
