**Date:** 10 Sep 2025  
**Time:** 11:00 AM to 6:00 PM  
**Venue:** Library Meeting Room

## About the Event

The *Group Discussion on Entrepreneurship Awareness* was organized to provide students with a deeper understanding of the entrepreneurial ecosystem and the real-world challenges faced by entrepreneurs. The objective of this event was to create awareness about entrepreneurship and encourage students to think critically about business-related problems. During the discussion, participants actively engaged in conversations about various issues faced by startups, such as lack of funding, high competition in the market, risk of failure, limited resources, and challenges in implementing innovative ideas. Students shared their perspectives, exchanged ideas, and suggested possible solutions to overcome these challenges, which made the discussion highly interactive and insightful. The event also helped participants improve their communication skills, confidence, and ability to present their thoughts effectively in a group setting. Overall, the group discussion was successful in building awareness about entrepreneurship while fostering analytical thinking, teamwork, and problem-solving skills among students.
