

EVENT REPORT

Induction Program 2

Event Name: Induction Program
Organized by: SSBT IGNITE (E-Cell)
Institution: SSBT COET, Jalgaon
Date: 04 Sep 2025
Time: 11:00 AM to 6:00 PM
Venue: MBA Seminar Hall

About the Event

The *Induction Program* was organized for first-year Computer Science students to introduce them to the college environment, activities, and various opportunities available to them. The main objective of this program was to help students feel comfortable and confident as they begin their academic journey in a new environment.

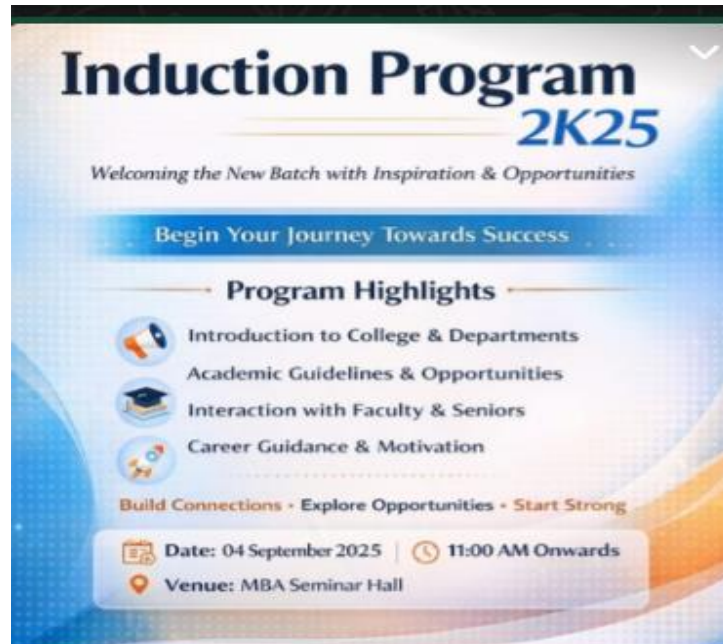

During the session, students were given an overview of the college, the Computer Science department, and the facilities available on campus. Information about academic structure, student clubs, technical activities, and future opportunities was shared. The program also included interaction sessions, allowing students to ask questions and better understand college life.

Overall, the induction program was informative and welcoming, helping students build confidence and a sense of belonging. It encouraged them to actively participate in academic and extracurricular activities while exploring new opportunities for growth and development.

Objectives of the Event

- To introduce first-year CS students to the college environment.
- To provide an overview of the Computer Science department.
- To familiarize students with campus facilities and resources.
- To explain the academic structure and expectations.
- To create awareness about technical activities and student Clubs.
- To encourage participation in extracurricular and co-curricular activities.
- To help students feel comfortable and confident in a new environment.
- To motivate students to explore opportunities for learning.

WhatsApp Message

Dear Students,

On **04/09/2025**, you are requested to be present for the **Induction Program** at the **MBA Seminar Hall** from **11:00 AM onwards**.

➡ The session will provide an overview of the college, departments, campus facilities, and student activities.

💡 Students are expected to:

- Actively participate in the session
- Listen carefully to the information shared
- Interact and ask questions during the session
- Maintain discipline throughout the program

📌 Please be punctual. Further instructions may be provided during the session.

✨ Best of Luck to all – from SSBT IGNITE

▣ Outcome of Event

The program was informative and well-organized, and students appreciated the introduction to the Computer Science department. It helped them understand the college environment and available facilities while improving their confidence as first-year students. The interaction session was engaging and provided clarity about academics and future opportunities. Some students suggested including more interactive activities, but overall, the experience was welcoming and motivating.

☆ Highlights of the Event

- Smooth and well-organized induction program.
- Informative introduction to the CS department and facilities.
- Active participation from first-year students.

Challenges & Future Scope

Challenges Faced

- Managing a large number of first-year students.
- Maintaining attention and discipline during sessions.
- Time management for different program activities.
- Ensuring clear communication to all participants.

Need of Improvement

- More interactive and engaging sessions.
- Better time allocation for each segment.
- Improved audio-visual arrangements.
- Clear and structured flow of the program.

Future Scope

- Conducting more interactive induction sessions.
- Including campus tours for better understanding.
- Organizing follow-up sessions for guidance and support.
- Introducing sessions on career opportunities and skill development.
