

# **COMPETITION REPORT**

## **National Entrepreneurship challenge (NEC)**

**Competition Name:** NEC  
**Organized by:** SSBT IGNITE (E-Cell)  
**Institution:** SSBT COET, Jalgaon  
**Date:** 15 Aug To 5 Jan  
**Time:** 11:00 AM to 6:00 PM

## About the Competition

The National Entrepreneurship Challenge (NEC) organized by IIT Bombay is one of India's premier entrepreneurship competitions aimed at nurturing innovation, leadership, and startup culture among students. As part of this challenge, our team actively participated in a series of structured tasks designed to enhance practical entrepreneurial skills.

Throughout the competition, we worked on multiple activities such as social media presence building, branding our E-Cell, defining team roles, understanding motivation, and engaging in various interactive challenges. Each task helped us develop essential skills like creativity, teamwork, communication, and strategic thinking.

One of the key highlights of our journey was the LinkedIn Presentation, where we showcased our learnings, achievements, and overall growth during the competition. This experience not only strengthened our understanding of entrepreneurship but also gave us exposure to real-world challenges and professional networking platforms.

Overall, participating in NEC was a valuable and enriching experience that helped us grow both personally and professionally, preparing us for future entrepreneurial endeavors.

## **Objectives of the Event**

- To promote entrepreneurial mindset among students.
- To encourage innovation and creative thinking.
- To provide practical exposure to startup development.
- To enhance problem-solving and decision-making skills.
- To develop teamwork and leadership qualities.
- To create awareness about real-world business challenges.
- To motivate students to build and present startup ideas.
- To provide a competitive platform at a national level.

## **Participants Feedback**

- The challenge was highly engaging and well-organized.
- Provided valuable exposure to real-world entrepreneurial scenarios.
- Helped in developing innovative thinking and creativity.
- Improved teamwork and leadership skills.
- Enhanced communication and presentation abilities.
- Tasks and activities were practical and insightful.
- Participants appreciated the competitive and learning environment.
- Some suggested more time for task completion and guidance.
- Overall experience was enriching, motivating, and impactful.

## **Additional Details**

▣ **Number of Participants:** 15

### **▣ Outcome of Event**

The event helped participants develop an entrepreneurial mindset while improving their problem-solving and decision-making skills. It enhanced their teamwork and leadership abilities and provided practical exposure to startup development. Participants also gained confidence in presenting their ideas, encouraged innovative thinking, and developed a better understanding of real-world business challenges.

### **☆ Highlights of the Event**

- Well-structured and competitive event format.
- Active participation from students across teams.
- Real-time problem-solving and task-based activities.
- Strong focus on innovation and startup ideas.

# Challenges & Future Scope

## Challenges Faced

- Financial constraints during event execution
- Limited access to college resources
- Lack of proper guidance and mentorship
- Restrictions in decision-making freedom

## Need of Improvement

- Better time scheduling for each round.
- More structured communication and instructions.
- Improved planning and coordination.
- Enhanced technical and logistical support.

## Future Scope

- Organizing more entrepreneurship-based competitions.
- Introducing advanced startup and innovation challenges.
- Conducting large-scale inter-college or national-level events.
- Encouraging more practical and skill-based learning activities.
