Brief Report
Poster Presentation on “National Energy Conservation Day”

- Date and Venue / Location : 14/12/2022, Applied Science Department.
- Aim / Purpose : To use minimum power and save energy sources for future.
- Objectives :
 - To impart consciousness towards Energy Conservation.
 - To reduce energy consumption.
 - To use the energy efficiently.
- Participant's Profile : F.E. Students.
- Description about the Program : Poster Presentation on the occasion of “National Energy Conservation Day” was organized on 14.12.2022 for FE students by **Energy Club** and **Department of Chemical Engineering** at **Applied Science Department** on following Theme :
 - Renewable Energy
 - Green Energy
 - Clean Energy
 - Affordable Energy
 - Energy Economization
 - Energy Audit
 - Energy Recycling
 - Bio Energy
 - Innovative Energy Conservation SolutionsDr.K.S.Patil (HOD, Applied Science), Er. P.D.Patil (Asth.Prof. Mech.Engg), Er.D.D.Puri (Asth.Prof. Comp.Engg) evaluated the posters.
Principal Dr.G.K.Patnaik, presided the Valedictory Function.
- Feedback & Analysis : 36 Students presented their 24 posters out of which **06 Posters** were adjudged as “**Outstanding Posters**” and **Prize Money of Rs. 250/- per poster** was given to **P20: Harshada Bodvade & Meghashri Jalankar P21: Harshada Pachpande P19: Dhanashri Patil & Akansha Patil P24: Nutan Bharti & Tamanna Tadvi P04: Riya Rajput P23: Gaurang Bhosale, Durgesh Khalane & Paras Surwade.**
- Outcomes : Numerous ideas, details, innovative means were presented and students offered amazing solutions through the posters. The students portrayed concept of recycling materials and use of waste for lower energy consumption solutions, reduction in use of fossil fuels, use of Bioenergy for Green and Clean environment.
- Recommendation : Creativity improves strategic thinking at all levels.
