## PROFILE

Assistant Professor in Biotechnology Engineering department equipped with 1 year of experience in Teaching. Good communication, leadership, good academic record, consultive decision, practical approach to solving problems making are the keys to my success.

## WORK EXPERIENCE

- SSBT's College of Engineering & Technology, Bambhori, Jalgaon

Assistant Professor in Biotechnology Engineering

June 11, 2022 - PRESENT

- Lecturer from June 11, 2022

## ACADEMIC PROJECTS

- Major Project (Final Year)  
Worked on " Fermentation of oatmeal to produce probiotic curd"
- Minor Project (Third Year)  
Worked on " Converting biomass to bioenergy"

## COURSES

- Advanced Excel Tutorial Online Course
- TCS ion Career Edge -Young Professional

### Subjects Taught

- Biology
- Agricultural Biotechnology
- Molecular Biology
- Enzyme Engineering

### Technical Skills

- equipment design
- Learning Management System
- Analysis of waste Treatment
- Molecular Cloning
