

# Workshop on Entrepreneurship Skill, Attitude and Behaviour Development

Date - 06-02-2023

## Introduction

IIC – SSBT's COET in association with all departments of SSBT's organized a Workshop on "Entrepreneurship skills, Attitude & Behaviour Development" on 6<sup>th</sup> February 2023. This workshop was organised for all students. The guest speaker Mr. Rajesh Chanchalani, Director, Chanchalani Business & Franchise Consultant Ltd (CBFC Ltd) enlightened our students with immense knowledge on entrepreneurship by sharing his experiences and highlighting the varied skills and competencies required to be a successful entrepreneur.

The speaker also threw light on how attitude and behaviour of a person affect their entrepreneurial development. About 53 students participated in the event.

**Learning Outcomes:** This workshop helped students in gaining knowledge about crucial entrepreneurial skills. This will help them to develop their skills, competencies and behavior to successfully select and start their own entrepreneurial venture. Students learnt the importance of knowing self and others as a first step to develop required skills and competencies which are essential for being an entrepreneur.

## Objectives

The main objective behind this event is to spark the entrepreneurial spirit in budding innovators by guiding them on how to convert their Innovative Ideas and emerge as successful Entrepreneurs.

## Remark

Becoming an entrepreneur is an important career decision, and to plunge into this domain requires the right skill set, attitude, and behaviour. This will be a very informative and helpful session for the students for their career growth.
