Brief about Program

Learning Series organized under National Education Day for SSBT ASC students 2024

(11 November 2023)

Date: February 2024

Organized by: SSBT's College of Engineering and Technology

Introduction: SSBT ASC commemorated National Education Day with a special Learning Series aimed at promoting awareness and fostering a culture of learning among students. National Education Day is celebrated in India on 11th November every year to honor the birth anniversary of Maulana Abul Kalam Azad, the first Education Minister of independent India and a renowned scholar.

Objective: The primary objective of the National Education Day Learning Series was to emphasize the importance of education in shaping individuals and societies, and to inspire students to pursue knowledge with dedication and passion. The event aimed to provide a platform for intellectual discourse, exchange of ideas, and holistic development of students.

Program Highlights: The Learning Series comprised a series of interactive sessions, workshops, and competitions designed to engage students and stimulate their intellectual curiosity. The program encompassed various aspects of education, including academic excellence, skill development, career guidance, and social responsibility.

Session Topics:

1. **Academic Excellence:** Strategies for effective learning, time management, and academic success.
2. **Skill Development:** Workshops on communication skills, problem-solving, and leadership development.
3. **Career Guidance:** Expert insights on career options, higher education opportunities, and industry expectations.
4. **Social Responsibility:** Discussions on the role of education in promoting social justice, equality, and sustainability.

Activities Guest Lectures and Expert Talks: Eminent scholars, educators, and industry experts were invited to deliver guest lectures and expert talks on diverse topics related to education and learning. Their insights and experiences provided valuable guidance and inspiration to students, enriching their understanding of the significance of education in their lives and careers.

Conclusion: The National Education Day Learning Series organized by SSBT ASC was a resounding success, bringing together students, faculty, and experts to celebrate the spirit of learning and enlightenment. The event provided a platform for students to broaden their horizons, enhance their skills, and imbibe values of lifelong learning and social responsibility.

As the curtains drew to a close on the Learning Series, the participants departed with renewed enthusiasm and a deeper appreciation for the transformative power of education. The event served as a testament to SSBT ASC's commitment to nurturing well-rounded individuals equipped to meet the challenges of the future and contribute meaningfully to society.
