

Workshop on Faculty Development Program on Python Programming

With the Initiative of Principal Dr. G. K. Patnaik to aware the faculty of all stream of Engineering the Workshop on Faculty Development Program on Python Programming is organized between 11/07/2024 to 13/07/2024

All the faculty members are present for hands on Workshop on Faculty Development Program on Python Programming.

Objectives

1. Prepare teachers with the latest teaching methods.
2. They use technology to impart effective education.
3. Students learn better and therefore perform better at exams.
4. It helps universities to become top-ranked universities.

Outcomes

1. Design real life situational problems and think creatively about solutions of them.
2. Apply a solution clearly and accurately in a program using Python.
3. Apply the best features of mathematics, engineering and natural sciences to program real life problems.
