

One day Workshop on Hands-on AI Tool

With the initiative of our esteemed Principal, Dr. G. K. Patnaik, a one-day workshop on Hands-on AI Tools was organized on July 29, 2024. This event aimed to raise awareness and enhance the skills of faculty members from all engineering streams. The workshop was conducted under the Institution's Innovation Council (IIC) and the Department of Computer Engineering.

The workshop provided an excellent platform for faculty members to gain practical experience with AI tools, fostering an environment of learning and innovation. The sessions were designed to be interactive and hands-on, ensuring that participants could directly apply the knowledge gained during the workshop.

Overall, the workshop was a resounding success, thanks to the support and vision of Dr. G. K. Patnaik, and it marked a significant step towards integrating AI tools into the engineering curriculum and research activities.

All the faculty members are present for One day Workshop on Hands-on AI Tool

Objective: The primary objective of the one-day workshop on Hands-on AI Tools was to raise awareness and enhance the skills of faculty members from all engineering streams. Initiated by our esteemed Principal, Dr. G. K. Patnaik, the workshop aimed to:

1. Introduce faculty members to the latest AI tools and technologies.
2. Provide practical, hands-on experience with AI tools to foster an environment of learning and innovation.
3. Encourage the integration of AI tools into the engineering curriculum and research activities.
4. Promote interdisciplinary collaboration among faculty members across different engineering streams.
5. Equip faculty with the necessary skills to guide students in AI-related projects and research.

Outcomes: The workshop achieved the following outcomes:

1. **Enhanced Knowledge:** Faculty members gained a comprehensive understanding of various AI tools and their applications.
2. **Practical Experience:** Participants received hands-on training, enabling them to effectively use AI tools in their teaching and research.
3. **Skill Development:** Faculty members improved their technical skills, particularly in the areas of AI and machine learning.
4. **Curriculum Integration:** The workshop laid the groundwork for integrating AI tools into the engineering curriculum, enriching the learning experience for students.
5. **Collaborative Efforts:** The event fostered a spirit of collaboration among faculty members, encouraging interdisciplinary projects and research initiatives.
6. **Innovation Promotion:** The workshop stimulated innovative thinking and problem-solving approaches, contributing to the institution's overall academic excellence.

for faculty
on 29th July 2024, 11 am onwards

Shram Sadhana Bombay Trust's
COLLEGE OF ENGINEERING & TECHNOLOGY,
BAMBHORI, POST BOX NO 94, JALGAON – 425001(M.S.)

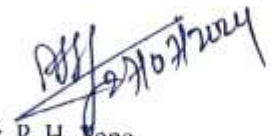

Ref. No.:-

Date 27/07/2024

Department of Computer Engineering and IIC Cell have organized Hands-on "AI Tools" for Faculty members on 29/07/2024 in Room No 114 at 11,00 am All faculty members are requested to attend the same. All participants are informed to bring fully charged Smart phone.

The detailed schedule is

Sr. No	Topics	Name of Faculty
1	Goblin Tools, Quillbot	Dr. A.D. Waghmare
2	Slidesgo, Zoho, Revisely's AI Quiz Generator, OpExams AI Questions Generator	Dr. D. K. Kirange
3	Magic school.ai, Knewton	Dr. P. H. Zope
4	ELSA Speak, Replika	Mr. Mohan P. Patil
5	Formative AI, TurnItIn AI	Mr. R. H. Patil
6	Quizbot, Quizlet, Conker, Question Well	Mr. S.H. Rajput
7	quizlet live	Mrs Shital Patil

Dr. P. H. Zope

Dean (R&D) / IIC Convener

Dr. M. E. Patil
