Brief Report on

National Energy Conservation Day: *December 14 ,2023*

Venue / Location:	Electrical Engineering Department
Aim / Purpose:	<ul style="list-style-type: none"> • Aim: National Energy Conservation Day is observed in India every year on December 14, to raise public awareness about the value of energy efficiency and conservation. Every year, the Bureau of Energy Efficiency under the Ministry of Power spearheads the celebrations. • The theme of National Energy Conservation Day 2023 is "<i>Energy transition = Energy security!</i>"
Objectives:	<ul style="list-style-type: none"> • Main objective: Established by the Bureau of Energy Efficiency (BEE), an agency of the Government of India, National Energy Conservation Day aims to promote awareness about energy conservation, encourage energy-efficient practices and emphasize the role of every individual in creating a more sustainable and energy-efficient nation. • Specific Objective: The two main reasons people conserve energy are to gain more control over their energy bill and reduce the demand on the earth's natural resources. • Celebration of National Energy Conservation Day
Participant's Profile:	<ul style="list-style-type: none"> • Mr.V.S.Pawar, HOD of Electrical Engineering Department • All faculty members of Electrical Engineering Department.
Description about the Program:	<ul style="list-style-type: none"> • This celebration is to drive mass awareness about the importance of energy efficiency and conservation. • It is celebrated every year with a particular theme. For better tomorrow, save energy today. Save Energy, Save Money, Save Nation, Save the planet.
Feedback& Analysis:	-----
Outcomes:	<ol style="list-style-type: none"> 1. The outcome of the event was that the participants gained a better understanding of the importance of energy conservation and sustainable energy practices. 2. They learned about various ways to conserve energy in their daily lives and how they can contribute towards a sustainable future.
Recommendations:	Such National Energy Conservation Day Celebration programmes should be planned and celebrated with enthusiasm every year
