Internal Hackathon 2022

Date and Venue / Location:10/03/2022 Department of Computer Engineering Lab 10.

Time:10:30-4:00P.M

Aim / Purpose: Nomination for Smart India Hackathon 2022

Objectives: Through this competition students can

1. Harness creativity & expertise of students
2. Spark institute-level hackathon
3. Build funnel for 'Startup India' campaign
4. Crowd source solutions for improving governance and quality of life
5. Provide opportunity to citizens to provide innovative solutions to India's daunting problems

Participant's Profile: The team of Six students from any branch from any year can participate in this competition.

Description about the Program: Smart India Hackathon 2022 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. The last edition of the hackathon saw over 5 million+ students from various colleges compete for the top prize at 65+ locations. In SIH 2022, the students would have the opportunity to work on challenges faced within various Ministries, Departments, Industries, PSUs and NGOs to create world class solutions for some of the top organizations including industries in the world, thus helping the Private sector hire the best minds from across the nation
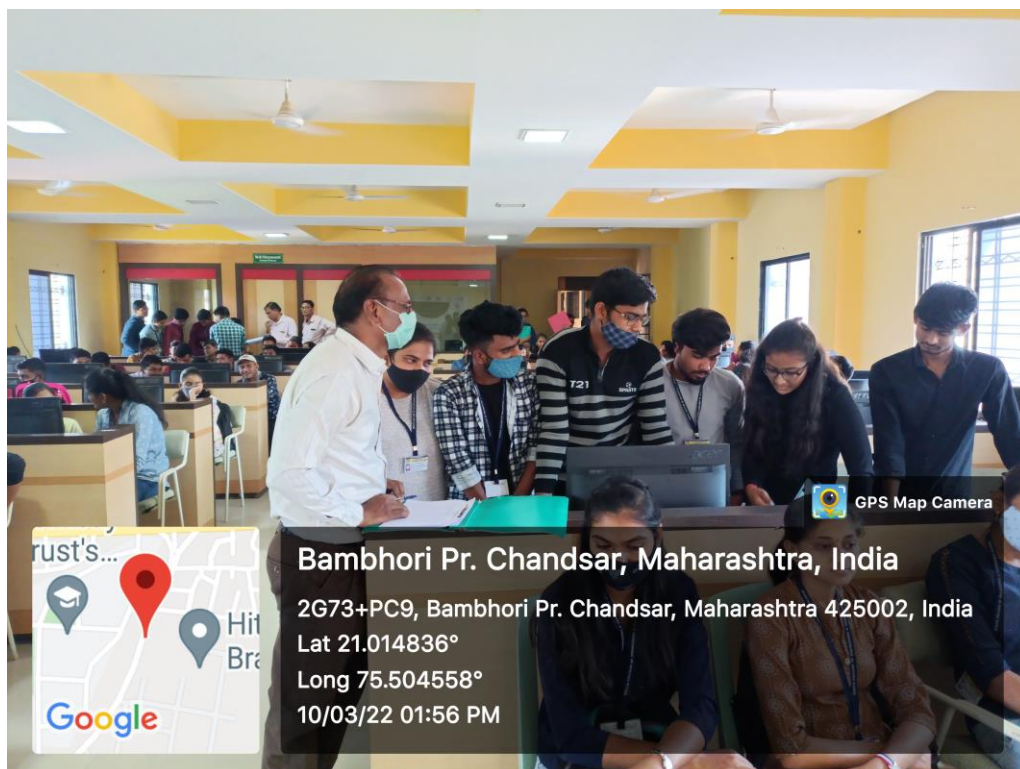

Feedback& Analysis: As per the guidelines of SIH2022 team, Top 15 teams (Top 10 + waiting 5) should be nominated by the College for final Smart India Hackathon Competition. Computer department conducted Internal Hackathon on 10th March. 2022 for which 20 team participated from all the departments. Judges for the Internal Hackathon were Dr. S.A Thakur, Dr. V.R. Dhiware, ,Dr. Vishal Rana, Mr. N. K. Patil and Dr. Kiran Patil. Evaluation criteria was based on Novelty of Idea,Compexity, Clarity and details in prescribed format, Feasibility, Practability, Stainability, Scale of impact,User experience and Potential for future work progression. Based on above criteria, 15 teams shortlisted for final Smart India Hackathon 2022 competition.

Recommendations: As such type of events sharpens students technical skills and motivate them to solve real life technical problems, it should taken every year.
