Chief Guest for programme was Mrs.Shuchita Hada(Chairman Standing Committee& Nagarsevika Municipal Corporation Jalgaon).Programme was started with warm welcome of Guest,by Ms Meera Deshpande, Chairperson Women's Redressal committee.

In speech of Guest, told that Gender shouldn't be a factor in whether or not a person can be a great leader a person's leadership abilities should depend on their individual strengths and personality traits. However, in many cases, women aren't encouraged to take on leadership roles as often as their male counterparts, contributing to an imbalance of who's in power. I've observed women make bold and wise decisions as leaders while relying on others to be part of their team. The environment is less authoritarian and more cooperative and family-like, but with solid leadership.” Programme followed by Poem on Life of Women which was read by Ms Harshada Patil ,Student of first year.
