## **INDUCTION PROGRAMME**

### **2019-20**

Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon has introduced new curriculum for all UG Engineering Programmes (Bachelor of Engineering) with effect from Academic Year 2019-20. As per the model curriculum by All India Council for Technical Education (AICTE), the university has introduced mandatory induction program in the curriculum for the newly joined students. The idea to introduce induction program in the curriculum is to make the newly joined students feel comfortable in the new environment of engineering degree courses, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, and building of character.

Keeping in view of this, SSBT's College of Engineering & Technology, Bambhori, Jalgaon has organized 3-week long Induction Program for the newly joined students from August 1, 2019 to August 21, 2019. The program includes different activities such as physical activities (Yoga & Meditation), Creative arts (Painting, Dance Music etc.), Universal human values, Literary (debating, play etc.) proficiency module (English skill, group discussion), Lectures by eminent people, Visit to local area (Orphanage, Hospital) & familiarization to the Department etc.

More than 350 students participated in the Induction Program. Their participation have made them more confident and also made them aware of their responsibilities towards the society as an engineer.

Faculty members also whole heartedly contributed in the program. Overall the program was a grand success.
