Brief Report on

Swacch Bharat Abhiyan

Date-08/02/2022

Date and Venue / Location:	College Campus
Aim / Purpose:	<p>It focuses on improving the ambit of rural sanitation coverage and eliminating the practice of open defecation. The scheme also focuses on improving the management of solid and liquid wastes.</p> <p>The scheme aims to ensure three-fold objectives within its scope. First of all, it envisages reducing the number of households engaging in the practice of open defecation. The second objective is to convert pit latrines into sanitary latrines. The third objective of the Clean India Mission is to halt the construction of any new unsanitary toilets.</p>
Objectives:	<ul style="list-style-type: none"> • To promote cleanliness and hygiene in a holistic manner. • To reduce the incidence of open defecation • To bring improvement in the quality of life in rural areas • To encourage the concept of sustainable sanitation practices • To create awareness about health and hygiene. • To help India reach to India Sustainable Development Goal 6 (SDG 6). • To encourage cost-effective sanitation efforts. • To develop community managed sanitation systems • To focusing on scientific Solid & Liquid Waste Management systems. • To create a positive impact on gender and promote social inclusion.
Participant's Profile:	The program is organised to create awareness about cleanliness.
Description about the Program:	Mr.V.S.Pawar, Program Officer, Ms Deepmala Desai , Program Officer of NSS , along with other faculty have joined Swacch Bharat Abhiyan drive in the campus.
Feedback & Analysis:	-----

<p>Outcomes:</p>	<p>Cleanliness'. Just the word creates a pristine feeling in one's mind. The mind is invigorated with cheer. The institution of the School does the noble task of inculcating this habit of worshipping beauty in the form of cleanliness..</p>
<p>Recommendations:</p>	<p>In the journey towards prosperous India, the first step begins with cleanliness. Along with our body & mind, we also need to take responsibility of keeping our surroundings clean.</p>

Brief Report on

“Tree Plantation”

Date and Venue / Location: 30/06/2022, SSBT's COET Campus.

Aim / Purpose: To Protect the Ozone Layer.

Objectives: To reduce the impacts of air pollution and dust as trees and shrubs are known to be natural sink for air pollutants.

Participant's Profile: 16 Students from S.E. Chemical Engineering and 5 Faculty Members.

Description about the Program: Tree Plantation program conducted to enhance the air quality and reduce soil erosion. By planting trees, they provide us oxygen for breathing.

Feedback & Analysis: Students shown interest and commitment to preserve the nature.

Outcomes: Trees reduce air temperature by trapping dust and smoke.

Recommendation: Trees make the home for birds and other animals and insects, helping to keep up the ecosystem rolling and hence Tree Plantation is necessary.
