- To educate students to create awareness amongst public.
- To avoid single use plastic in day to day life.

**Description about program:**

Student Development Department *and* Unnat Bharat Abhiyan Committee jointly celebrated birth anniversary of Mahatma Gandhi *on* 2<sup>nd</sup> October 2019. October 2 is of great national importance for the country as on this day, two great leaders were born on the Indian soil. Mahatma Gandhi, the pioneer of India's freedom struggle, and Lal Bahadur Shastri, the second Prime Minister of India, with their selfless service to the nation, continue to inspire everyone. This year theme was plastic free campus. Dr. M. Hussain (HOD Civil) delivered speech in that he covers how plastic affects human body? How single use plastic can be avoided in day to day life? Entire college campus was clean by students and staffs members at the end of program cotton bags were distributed to students. Total 26 students were participated in this activity. Main objective of this activity was to use minimum or no plastic in our day to day life.

**Outcomes:**

- Awareness is created about the plastic hazards that are spoiling the environment.
- Students and teachers realize their individual responsibilities to save the environment and avoid single use plastic in day to day life.
