About the Program

Realizing the importance of preparing multidimensional professionals, the SSBT's College of Engineering & Technology, Bambhori, Jalgaon has initiated steps for continuous professional development of staff members to meet the need of hour. As part of initiation, the institute organized capacity building program for staff members from 13 February to 27 February 2023. In the program, the senior staff members were the resource persons and all staff members attended the program with full enthusiasm thereby creating the environment of peer - learning.

Objectives

The objectives of the program are as follows:

1. Empowering staff members with overall office activities
2. Developing a culture of shared learning among staff members
3. Inculcating communication and cooperation among staff members

Outcomes

The outcomes of the program are as follows:

1. Use of technology in office activities
2. Gain confidence in presentation and communication
3. Build Multiple skill

In the program, 23 staff members from all sections and departments attended the sessions.
