### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery by the institute is as per the guidelines provided by the Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. Based on the guidelines of the University the institute prepares academic calendar to accomplish the mission and vision. The academic calendar explores resource potentials, executes institutional objectives and imparts quality education towards students' development.

Institute ensures that the academic calendar is well planned in consultation with all concerned for effective execution. Academic Calendar includes schedule for student registration, internal sessional examinations, co-curricular activities and extra-curricular activities etc. The departments adhere to the institute

calendar and prepare departmental academic calendar to accomplish Programme Specific Outcomes. The academic calendar is disseminated to all concerned.

Before the start of every semester, faculty members are assigned courses based on their specialization, interest and competency through consultation at the department and accordingly the department prepares timetable. All faculty members prepare / update lesson plan, lecture notes, Lab manuals, model answers and other resource materials. During pandemic such materials were made available to students online.

Periodic review in the meeting of HODs with Principal helps in effective curriculum delivery. Further, students' feedback fine tunes to fulfil the academic need of students. Identification of slow learners and advanced learners also helps to cater the need. These are the regular practices of the institute and adapted in the curriculum in well planned manner.

As part of curriculum the students are required to undergo internship during vacations. The institute encourages students for internships by acting as liaison.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

An academic calendar of the institute in line with the University's calendar is prepared and uploaded on institute website, displayed on notice boards and is communicated to teachers and students.

All the classes and examinations are planned as per the calendar ensuring complete adherence. Time table as per academic calendar and university curriculum for the number of credit hours for each subject prior to the start of the semester is prepared and displayed on notice boards.

After the allocation of subjects course file of each subject is prepared consisting of lesson plan, assignments, old question

papers, sample solutions of university question papers, lecture notes, etc by the concerned faculty, approved by the Head of the Department (HOD).

Each HOD maintains a monitoring report on course coverage, student attendance and assignment provided for every subject. Remedial classes are conducted for weak students in mathematical/conceptual subjects.

At the mid of academic session students submit their feedback for each subject through online/offline feedback forms maintaining complete anonymity.

Internal Sessional Examinations (ISE) is conducted as mentioned in the academic calendar. The question papers of ISE are prepared, evaluated and shown to students by concerned faculty member ensuring transparency.

During pandemic every teacher has conducted tests consisting of MCQs. Every student submits term work in the form of journal on the designated date as per academic calendar.

In case of unseen conditions, the institute academic calendar is modified and revised as per the instructions of Principal of the Institute.

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institute conducts the assessment of learning levels for the students based on their performance in the previous examination. For newly admitted first year engineering students performance in 12th class is considered and for second year engineering, performance in diploma is considered. For newly admitted students at the first year MBA & MCA, performance in graduation is considered and thereafter the assessment is based on the performance in the previous semester University Examination.

### Learners

F.E.,MBA-I & MCA-I

S.E.,T.E., B.E.,MBA-II

### Advanced

Students securing Percentage in 12th class board examination and diploma board examination

more than 60% marks

Students securing SGPA in the previous semester university examination

more than 7.0

### Slow

less than 53% marks

less than 4.0

The institution organizes Induction program for three weeks as per

the university curriculum for the newly admitted students.

## Outline of activities

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute is affiliated to K.B.C. North Maharashtra

University, Jalgaon (M.S.) and follows the syllabus of the university. The University has made provision in structure of all programmes to give students experiential and participative learning experience.

Instead of teacher-centric conventional teaching methods, the institution strongly believes that student-centric learning methods enhance the lifelong learning skills of students. Hence the institute has adopted the below-mentioned student-centric methods.

**Experiential learning methodology:**

- Laboratory practical sessions
- Field work
- Internship
- Project Development
- Industry Visits / Site Visits
- Case Studies
- Training & Workshop

**Participative learning methodology:**

- Paper Presentation / Project Competitions
- Group Discussion
- Industrial Visits
- Co-curricular / Extra Curricular Activities
- Student Chapter / Club Activities
- NSS & Extension Activities

**Problem solving methodology:**

- Quiz
- Peer group Teaching
- Special Assignments

The institution has taken significant efforts to explore flipped classrooms with ICT tools and e-resources, such as MOODLE - Learning Management System, NPTEL videos, Digital library, e-books / e-journals, etc that add to student-centric methods.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The institute has made conscious efforts to invest in hardware and to orient the faculty suitably to enrich the learning experiences of students.

The institute has put in place the electronic data management systems and electronic resources and their access to internal and external stakeholders particularly the student community. It includes 100 Mbps Internet lease line, ERP system, MOODLE - Learning Management System, Digital Library, e-books / e-journals, NPTEL Videos, Language Lab etc.

For effective teaching -learning process, total number of classrooms and seminar halls with ICT-enabled facilities in the institute are 41, out of which 10 rooms are with wall-mounted Interactive LCD Projectors and Duplex Projection Screen, and the remaining are with LCD Projectors.

The institute has made all possible efforts to train faculty members on usage of ICT in teaching-learning process. All faculty members have undergone training on Live Classroom Teaching Platforms & Tools, video editing, conducting online Internal Sessional Examination (ISE), MOODLE - Learning Management System etc.

During the COVID - 19 pandemic, the faculty members have recorded theory lectures and laboratory sessions / experiments using appropriate hardware & software. Those recorded videos are shared among students through various online platforms & social media.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institute is affiliated to K.B.C. North Maharashtra University, Jalgaon (M.S.) and follows the syllabus of the university. The internal assessment of students includes Internal Sessional Examination (ISE) for theory subjects and Internal Continuous Assessment (ICA) for practical & project.

In each term, Three ISEs, each of 20 marks, are conducted as per the academic calendar, and best TWO is considered as ISE marks in the respective subject.

Evaluation of ICA for practical is on the basis of Attendance (A), Performance (P), Journal (J), and Viva (V). The assessment of ICA for Project is as per guidelines given in the syllabus that includes students' performance, active participation, knowledge / skill acquired throughout semester and presentation by the students.

As a part of transparency, the evaluated ISE answer papers, grades of ICA and marks of ISE are notified to the students by displaying on notice board and through WhatsApp.

During the COVID-19 pandemic, the internal assessments are conducted online as per schedule through descriptive answers ISE, multiple choice questions ISE. For ICA of practical, online viva are conducted based on practical demonstrated by the concerned teacher. For ICA of project, the assessment is conducted through online presentation by the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

As an affiliating institute, the institute follows syllabus and curriculum of K.B.C. North Maharashtra University, Jalgaon (M.S.). As part syllabus, the internal assessment of students includes Internal Sessional Examination (ISE) for theory subjects and Internal Continuous Assessment (ICA) for practical & project.

Grievance regarding the internal assessment is taken care of by the respective Departments. As per internal examination grievance policy of the institute, the students can meet subject teacher / Mentor / HoD for clarification within FOUR days of publication on the concerned department notice board for grievance related to the internal assessment.

More particularly during the COVID - 19 pandemic, the students communicated with subject teacher / Mentor / HoD through phone / WhatsApp for any grievances.

#### Internal Examination Grievances Process

- ISE schedule is prepared as per institute academic calendar
- Display of ISE schedule on Notice board and through WhatsApp
- Concerned subject teacher will prepare question paper /multiple choice questions
- Conduction of ISE
- Evaluation of answer script

- Answer scripts are shown to students for self-assessment
- Discrepancy in evaluation/totalling of marks/ aggregation of marks
- Problem resolved by concerned faculty/ HOD
- Final marks are displayed on notice board and through WhatsApp

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The following mechanism is followed by the institute to communicate/disseminate Program Educational Objectives (PEOs), Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) to the teachers and students.

- Vision-Mission, PEOs, POs, PSOs of the Programmes offered are uploaded on the institute website (<https://sscoetjalgaon.ac.in/>) and also displayed at the prominent locations.
- The syllabus of all programmes is made available on the institute website which includes the COs of various courses of the curriculum.
- COs of theory subjects are made aware to the students by the concerned faculty member at the beginning of every semester.
- POs, PSOs and COs of lab course are made aware to the students and also provided in the lab manuals by the concerned faculty member at the beginning of every semester.
- POs, PSOs and COs along with CO-PO & CO-PSO mapping are made available on the institute website (<https://sscoetjalgaon.ac.in/>) and MOODLE - Learning Management System (<http://elearning.sscoetjalgaon.ac.in/moodle/>) that is accessible over internet.
- All the faculty members prepare course file for each semester that lists the POs, PSOs and COs along with CO-PO & CO-PSO mapping.
- Newsletters by all departments also include PEOs, POs and

PSOs and published on the institute website  
(<https://sscoetjalgaon.ac.in/>).

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institute has practice of measuring the level of attainment of Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) as per the syllabus by K.B.C.North Maharashtra University, Jalgaon (M.S.).

In every semester, CO attainment is evaluated based on the University results. The syllabus has University Assessment, known as End Semester Examination (ESE) for theory and practical, and College Assessment, known as Internal Continuous Assessment (ICA) for practical and Internal Sessional Examination (ISE) for theory. The University assessment contributes 60% and college assessment contributes 40% towards the attainment of CO for each subject (Theory and Practical). For each subject, the CO attainment level, i.e. Level - 1, Level - 2, Level - 3, is calculated based on the percentage of students scoring more than University average mark in the ESE and percentage of students scoring more than college average marks in the ISE / ICA respectively. Level - 1 is defined as 30%, Level - 2 is defined as between 31% to 60% and Level- 3 is defined as above 60%.

Based on the mapping of COs with POs and PSOs, the respective CO attainment contributes to the attainment of POs and PSOs as direct assessment tool. Attainment of POs and PSOs are calculated for each batch at their end of programme.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Innovative ideas are emanating from the minds of students as well as teachers. These contemplations need a conducive environment to

take a concrete shape, to nurture up and to be fruitful. Institute has recognized this basic philosophy. It has an indigenous research funding scheme named Shram Sadhna Research Promotion Scheme. Under this scheme, the teachers write research proposals seeking seed money to shape their innovative ideas. The proposals are scrutinized by the expert committee and are funded based upon merit. Teachers are also encouraged to write research proposals seeking research funds from various government agencies.

The laboratories of the departments are well equipped and they can sustain shaping of innovative ideas and budgetary allocations for equipments, consumables and meeting special needs of research are provided.

In order to provide seed money to the innovative ideas of students, the institute has a scheme under Sharm Sadhna Innovations and Entrepreneurship Development Cell. The cell invites innovation proposals from students. The proposals are scrutinized by the expert committee and based upon their merit they are funded. This motivates students to go for innovative projects and learn by doing.

The students of the institute have won National Level Prizes under prestigious Hackathon competition for their innovative ideas and projects.

The institute has recognized its laboratories of six departments for doctoral research. Here the faculty registers for Ph D and thus the research and innovations are promoted.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The Institute's mission statement explicitly mentions "preparing engineers for societal development". The entire curriculums of the courses have been skilfully amalgamated with the co-curricular and extracurricular activities to train students for societal service also. There are several societal services activities undertaken by the institute at the central level as well as at the departmental level. A student chapter at departmental level helps Students to participate and organize various events through these chapters

Clothe Donation, Blood Donation, Swachha Bharat Abhiyan, Environmental Awareness, Tree Plantation drive and many more such programmes are conducted every year at the campus. Student's active participation in National Service Scheme (NSS) makes aware them about social issues and their solution. COVID-19 situation restricted the activities but online awareness was created among students for maintaining the COVID protocol by faculty and by students themselves.

The institute joined the ambitious Unnat Maharashtra Abhiyan of the Government and adopted five villages. Extension activities were undertaken also in these villages.

Social activities enhance and create social awareness and responsibilities towards humanity among the students. Faculty and students actively involved for raising funds by contributing in the Prime Minister cares fund.

#### 4.2 - Library as a Learning Resource

#### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Central Library had been fully automated using Software for University Libraries (SOUL) Version 2.0, consists of the different modules; each module further has been divided into sub-modules to cater its functional requirements:

- Acquisition

This enables library staff to handle all the major functions, such as Suggestions Management; Order Processing, Cancellation and Reminders; Receipt, Payment and Budgetary control; Master files such as Currency, Vendors, Publishers etc.

- Catalogue

This module is used for retrospective conversion of library resources. It also facilitates library staff to process, the newly acquired library resources.

- Circulation

This module takes care of all possible functions of circulation, it also cares membership management, maintenance and status of library items, transaction, Inter Library Loan, overdue charges, renewals & reminders, search status and report generation according to the status of the items.

- OPAC

On-line Public Access Catalogue (OPAC) has simple and advanced search facility with the minimum information for each item including author, title, corporate body, conference name, subject headings, keywords, class number, series name, accession number or combination of any of two or more information regarding the item.

- Serial Control

The module keeps track of serials in the library effectively and efficiently.

- Administration

For accommodating requirements of library staff, the SOUL 2.0 is having additional features such as User Management, System Parameters and Masters which helps to perform ILMS effectively.

One separate node (KIOSK Machine) is made available for Online Public Access Catalogue (OPAC) facility. The library is provided with CCTV Surveillance

### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

In view of the changing trends in digital era, the institute has been updating its IT infrastructure with recent technologies. The server room of the institute is well equipped and well furnished with safety measures and power backup. The rack mounted central switch in the server cabin provides internet connectivity to all corners of the campus through Next Generation Firewall.

The IT infrastructure of the institution includes the facility of desktop computers, LAN, Wi-Fi, Internet, MOODLE as Learning Management System, Portal for interdisciplinary elective subject choice submission, Online admission portal etc. The IT infrastructure is well maintained by hardware engineers and technical supporting staff.

The IT infrastructure includes Optical Fiber Cables of 6.2 km connecting various departments and sections; Internet leased line connection of 100 Mbps bandwidth; 60 access points for wi-fi connectivity; 27 network switches; 23 network racks; 987 desktop computers providing the internet facility; licensed products under Microsoft Edu-Cloud, 38 ICT-enabled class rooms and computer center.

The institution has setup Modular Object-Oriented Dynamic Learning Environment (MOODLE) as Learning Management System (LMS). The institute has also setup Digital Library as digital repository of project reports and research publications.

handed over to the concerned authorities as a part of Swachh Bharat initiative. Each block and floor is provided with dry waste collecting bins and collected waste from various offices, laboratories, corridors, class rooms is carried away weekly from the campus.

#### Liquid waste management:

The entire campus has two pipe systems for sullage (liquid waste from bathrooms and kitchen) and sewage (liquid waste from latrine), for separate collection. The sewage is passed through septic tanks and soak pits. The sullage is treated in the indigenously designed sullage plant in the campus and treated sullage is used for gardening purpose to maintain a lush green campus, the recycled water is utilized for plantation and garden area.

#### E-waste management:

All the Electronic waste is recycled through the vendor who is approved by government for E-waste collection.

#### Hazardous waste management:

The wastewater generated from laboratories is having very low concentration of toxic chemicals, the collected waste is diluted and equalized with water and then discharged.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC

format provided in the Manual.

#### Best Practice -I

##### Value added and Skill Education

Value-added education focuses on individual skills and abilities to improve student learning outcomes. Students can gain a better understanding of the material and develop the skills needed to succeed in their studies and in the workplace by focusing on the development of key skills such as communication, problem-solving, and critical thinking. Furthermore, value-added education improves student motivation and engagement leads to better learning outcomes. It narrows the employment gap by providing additional support to students.

#### Best Practice -II

##### Infrastructural support to ensure educational outcomes

Investing in infrastructure helps and ensures that students have access to modern learning environments, as well as access to up-to-date technology and resources. Additionally, providing support to teachers and other educational professionals can help to ensure they are able to provide the best quality of instruction, which can help to lead to better student outcomes. .It provides conducive and eco-friendly environment for life-long learning of sustainable development and ICT enabled facilities to augment academic and administrative effectiveness.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Institute has established its distinctive approach towards the comprehensive Vision by intending it in the form of service to the society, by developing skilled human resource, multidisciplinary

facilities to enrich research environment and Entrepreneurship development.

The institute takes initiatives for skill development of students by arranging programs on soft skills, communication skills, Life skills, ICT/computing skills, project exhibition and national level paper presentation.

The Institute has started an Innovation and Incubation collaborative activity with Centre for Innovation Incubation and Linkages (KCIIL) of KBC, North Maharashtra University, Jalgaon in order to augment innovation-driven culture among students and faculty.

The institute organizes Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes, Faculty Development Programmes and Skill Development Programmes in the institution.

The institute has endeavoured to transform from a basic teaching institute to teaching and Research institute. Faculty members with Doctorates qualification are recognized Research Guides. The Institute has six recognized research centers with enrolled Research Scholars. The institute has indigenous research funding scheme "Shram Sadhna Research Promotion Scheme" to provide seed money to the research ideas of faculty.

The institute publishes peer reviewed Bi-annual Journal 'PRATIBHA: International Journal of Science, Spirituality, Business and Technology (IJSSBT)'.

The Institute is conducting International conference every year to encourage the research atmosphere

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery by the institute is as per the guidelines provided by the Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. Based on the guidelines of the University the institute prepares academic calendar to accomplish the mission and vision. The academic calendar explores resource potentials, executes institutional objectives and imparts quality education towards students' development.

Institute ensures that the academic calendar is well planned in consultation with all concerned for effective execution. Academic Calendar includes schedule for student registration, internal sessional examinations, co-curricular activities and extra-curricular activities etc. The departments adhere to the institute calendar and prepare departmental academic calendar to accomplish Programme Specific Outcomes. The academic calendar is disseminated to all concerned.

Before the start of every semester, faculty members are assigned courses based on their specialization, interest and competency through consultation at the department and accordingly the department prepares timetable. All faculty members prepare / update lesson plan, lecture notes, Lab manuals, model answers and other resource materials. During pandemic such materials were made available to students online.

Periodic review in the meeting of HODs with Principal helps in effective curriculum delivery. Further, students' feedback fine tunes to fulfil the academic need of students. Identification of slow learners and advanced learners also helps to cater the need. These are the regular practices of the institute and adapted in the curriculum in well planned manner.

As part of curriculum the students are required to undergo internship during vacations. The institute encourages students for internships by acting as liaison.

#### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

An academic calendar of the institute in line with the University's calendar is prepared and uploaded on institute website, displayed on notice boards and is communicated to teachers and students.

All the classes and examinations are planned as per the calendar ensuring complete adherence. Time table as per academic calendar and university curriculum for the number of credit hours for each subject prior to the start of the semester is prepared and displayed on notice boards.

After the allocation of subjects course file of each subject is prepared consisting of lesson plan, assignments, old question papers, sample solutions of university question papers, lecture notes, etc by the concerned faculty, approved by the Head of the Department (HOD).

Each HOD maintains a monitoring report on course coverage, student attendance and assignment provided for every subject. Remedial classes are conducted for weak students in mathematical/conceptual subjects.

At the mid of academic session students submit their feedback for each subject through online/offline feedback forms maintaining complete anonymity.

Internal Sessional Examinations (ISE) is conducted as mentioned in the academic calendar. The question papers of ISE are prepared, evaluated and shown to students by concerned faculty member ensuring transparency.

During pandemic every teacher has conducted tests consisting of MCQs. Every student submits term work in the form of journal on the designated date as per academic calendar.

In case of unseen conditions, the institute academic calendar

is modified and revised as per the instructions of Principal of the Institute.

**2.3 - Teaching- Learning Process**

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute is affiliated to K.B.C. North Maharashtra University, Jalgaon (M.S.) and follows the syllabus of the university. The University has made provision in structure of all programmes to give students experiential and participative learning experience.

Instead of teacher-centric conventional teaching methods, the institution strongly believes that student-centric learning methods enhance the lifelong learning skills of students. Hence the institute has adopted the below-mentioned student-centric methods.

Experiential learning methodology:

- Laboratory practical sessions
- Field work
- Internship
- Project Development
- Industry Visits / Site Visits
- Case Studies
- Training & Workshop

**Participative learning methodology:**

- Paper Presentation / Project Competitions
- Group Discussion
- Industrial Visits
- Co-curricular / Extra Curricular Activities
- Student Chapter / Club Activities
- NSS & Extension Activities

**Problem solving methodology:**

- Quiz
- Peer group Teaching
- Special Assignments

The institution has taken significant efforts to explore flipped classrooms with ICT tools and e-resources, such as MOODLE - Learning Management System, NPTEL videos, Digital library, e-books / e-journals, etc that add to student-centric methods.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institute is affiliated to K.B.C. North Maharashtra University, Jalgaon (M.S.) and follows the syllabus of the university. The internal assessment of students includes Internal Sessional Examination (ISE) for theory subjects and Internal Continuous Assessment (ICA) for practical & project.

In each term, Three ISEs, each of 20 marks, are conducted as per the academic calendar, and best TWO is considered as ISE marks in the respective subject.

Evaluation of ICA for practical is on the basis of Attendance (A), Performance (P), Journal (J), and Viva (V). The assessment of ICA for Project is as per guidelines given in the syllabus that includes students' performance, active participation, knowledge / skill acquired throughout semester and presentation by the students.

As a part of transparency, the evaluated ISE answer papers, grades of ICA and marks of ISE are notified to the students by displaying on notice board and through WhatsApp.

During the COVID-19 pandemic, the internal assessments are conducted online as per schedule through descriptive answers ISE, multiple choice questions ISE. For ICA of practical, online viva are conducted based on practical demonstrated by the concerned teacher. For ICA of project, the assessment is conducted through online presentation by the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

As an affiliating institute, the institute follows syllabus and curriculum of K.B.C. North Maharashtra University, Jalgaon (M.S.). As part syllabus, the internal assessment of students includes Internal Sessional Examination (ISE) for theory subjects and Internal Continuous Assessment (ICA) for practical & project.

Grievance regarding the internal assessment is taken care of by the respective Departments. As per internal examination grievance policy of the institute, the students can meet subject teacher / Mentor / HoD for clarification within FOUR days of publication on the concerned department notice board for grievance related to the internal assessment.

More particularly during the COVID - 19 pandemic, the students communicated with subject teacher / Mentor / HoD through phone / WhatsApp for any grievances.

#### Internal Examination Grievances Process

- ISE schedule is prepared as per institute academic calendar
- Display of ISE schedule on Notice board and through WhatsApp
- Concerned subject teacher will prepare question paper /multiple choice questions
- Conduction of ISE
- Evaluation of answer script
- Answer scripts are shown to students for self-assessment
- Discrepancy in evaluation/totalling of marks/ aggregation of marks
- Problem resolved by concerned faculty/ HOD
- Final marks are displayed on notice board and through WhatsApp

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institute has practice of measuring the level of attainment of Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) as per the syllabus by K.B.C.North Maharashtra University, Jalgaon (M.S.).

In every semester, CO attainment is evaluated based on the University results. The syllabus has University Assessment, known as End Semester Examination (ESE) for theory and practical, and College Assessment, known as Internal Continuous Assessment (ICA) for practical and Internal Sessional Examination (ISE) for theory. The University assessment contributes 60% and college assessment contributes 40% towards the attainment of CO for each subject (Theory and Practical). For each subject, the CO attainment level, i.e. Level - 1, Level - 2, Level - 3, is calculated based on the percentage of students scoring more than University average mark in the ESE and percentage of students scoring more than college average marks in the ISE / ICA respectively. Level - 1 is defined as 30%, Level - 2 is defined as between 31% to 60% and Level- 3 is defined as above 60%.

Based on the mapping of COs with POs and PSOs, the respective CO attainment contributes to the attainment of POs and PSOs as direct assessment tool. Attainment of POs and PSOs are calculated for each batch at their end of programme.

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Innovative ideas are emanating from the minds of students as well as teachers. These contemplations need a conducive environment to take a concrete shape, to nurture up and to be fruitful. Institute has recognized this basic philosophy. It has an indigenous research funding scheme named Shram Sadhna Research Promotion Scheme. Under this scheme, the teachers write research proposals seeking seed money to shape their innovative ideas. The proposals are scrutinized by the expert committee and are funded based upon merit. Teachers are also encouraged to write research proposals seeking research funds from various government agencies.

The laboratories of the departments are well equipped and they can sustain shaping of innovative ideas and budgetary allocations for equipments, consumables and meeting special needs of research are provided.

In order to provide seed money to the innovative ideas of students, the institute has a scheme under Sharm Sadhna Innovations and Entrepreneurship Development Cell. The cell invites innovation proposals from students. The proposals are scrutinized by the expert committee and based upon their merit they are funded. This motivates students to go for innovative projects and learn by doing.

The students of the institute have won National Level Prizes under prestigious Hackathon competition for their innovative ideas and projects.

The institute has recognized its laboratories of six departments for doctoral research. Here the faculty registers for Ph D and thus the research and innovations are promoted.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The Institute's mission statement explicitly mentions "preparing engineers for societal development". The entire curriculums of the courses have been skilfully amalgamated with the co-curricular and extracurricular activities to train students for societal service also. There are several societal services activities undertaken by the institute at the central level as well as at the departmental level. A student chapter at departmental level helps Students to participate and organize various events through these chapters

Clothe Donation, Blood Donation, Swachha Bharat Abhiyan, Environmental Awareness, Tree Plantation drive and many more such programmes are conducted every year at the campus. Student's active participation in National Service Scheme (NSS) makes aware them about social issues and their solution. COVID-19 situation restricted the activities but online awareness was created among students for maintaining the COVID protocol by faculty and by students themselves.

The institute joined the ambitious Unnat Maharashtra Abhiyan of the Government and adopted five villages. Extension activities were undertaken also in these villages.

Social activities enhance and create social awareness and responsibilities towards humanity among the students. Faculty and students actively involved for raising funds by contributing in the Prime Minister cares fund.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Central Library had been fully automated using Software for University Libraries (SOUL) Version 2.0, consists of the different modules; each module further has been divided into sub-modules to cater its functional requirements:

- Acquisition

This enables library staff to handle all the major functions, such as Suggestions Management; Order Processing, Cancellation and Reminders; Receipt, Payment and Budgetary control; Master files such as Currency, Vendors, Publishers etc.

- Catalogue

This module is used for retrospective conversion of library resources. It also facilitates library staff to process, the newly acquired library resources.

- Circulation

This module takes care of all possible functions of circulation, it also cares membership management, maintenance and status of library items, transaction, Inter Library Loan, overdue charges, renewals & reminders, search status and report generation according to the status of the items.

- OPAC

On-line Public Access Catalogue (OPAC) has simple and advanced search facility with the minimum information for each item including author, title, corporate body, conference name, subject headings, keywords, class number, series name, accession number or combination of any of two or more information regarding the item.

- Serial Control

The module keeps track of serials in the library effectively and efficiently.

- Administration

For accommodating requirements of library staff, the SOUL 2.0 is having additional features such as User Management, System Parameters and Masters which helps to perform ILMS effectively.

One separate node (KIOSK Machine) is made available for Online Public Access Catalogue (OPAC) facility. The library is provided with CCTV Surveillance

#### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institute has designed performance appraisal form to capture and evaluate performance of the Teaching and Non Teaching Staff. The Institute believes that, an effective performance appraisal system is important for optimizing the contribution of individual teaching and non Teaching staff. It aims at self growth in terms of both personal and professional development of the employee which directly impacts the success of the students. The performance appraisal system is based on stipulated criteria and parameters that are to be fulfilled. The performance appraisal is being assessed annually based on the submission of 360Feedback form by teaching staff. The Summary of Total (Max Points 100) includes Teaching Process (Max Points 25), Students feedback (Max Points 25), Departmental activities (Max Points 20), Institutional activities (Max Points 10), Contribution to Society (Max Points 10), Annual Confidential Report (ACR) (Max Points 10).

Evaluation form by non Teaching staff on various indexed parameters of non Teaching staff is verified by immediate superior.

The outcome of the performance appraisal system is that, each teaching / non teaching staff becomes aware of self-weaknesses and tries to improve. Faculty members with major weaknesses are personally counselled by the Principal.

#### Solid waste management:

The institute has maintained a neat and clean ambience by a well-designed and organized solid waste management system. By segregating solid waste as degradable and non-degradable, it is handed over to the concerned authorities as a part of Swachh Bharat initiative. Each block and floor is provided with dry waste collecting bins and collected waste from various offices, laboratories, corridors, class rooms is carried away weekly from the campus.

#### Liquid waste management:

The entire campus has two pipe systems for sullage (liquid waste from bathrooms and kitchen) and sewage (liquid waste from latrine), for separate collection. The sewage is passed through septic tanks and soak pits. The sullage is treated in the indigenously designed sullage plant in the campus and treated sullage is used for gardening purpose to maintain a lush green campus, the recycled water is utilized for plantation and garden area.

#### E-waste management:

All the Electronic waste is recycled through the vendor who is approved by government for E-waste collection.

#### Hazardous waste management:

The wastewater generated from laboratories is having very low concentration of toxic chemicals, the collected waste is diluted and equalized with water and then discharged.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

#### Best Practice -I

##### Value added and Skill Education

Value-added education focuses on individual skills and abilities to improve student learning outcomes. Students can gain a better understanding of the material and develop the skills needed to succeed in their studies and in the workplace by focusing on the development of key skills such as communication, problem-solving, and critical thinking. Furthermore, value-added education improves student motivation and engagement leads to better learning outcomes. It narrows the employment gap by providing additional support to students.

#### Best Practice -II

##### Infrastructural support to ensure educational outcomes

Investing in infrastructure helps and ensures that students have access to modern learning environments, as well as access to up-to-date technology and resources. Additionally, providing support to teachers and other educational professionals can help to ensure they are able to provide the best quality of instruction, which can help to lead to better student outcomes. .It provides conducive and eco-friendly environment for life-long learning of sustainable development and ICT enabled facilities to augment academic and administrative effectiveness.
