|---|--|---|--|
| 2. Measures taken to complete the syllabus of courses and programs. | | <p>The implementation of first online learning started during COVID19 lockdown period and it was useful to identify the readiness of the students through their response to move online. This helps us to improve the quality of online learning. One of the best and most impactful ways of teaching the students in pandemic period is online teaching to complete their syllabus in an effective manner.</p> <p>Power point presentation, Animated videos, their explanations and effective communication helps online education to fulfil their need and can transform a engineering subjects online teaching into a great one.</p> <p>During the pandemic situation the students have given online flash lectures in addition to procedural videos illustrating laboratory steps in addition to traditional face to face lectures and live laboratory demonstrations. Online tutorial links were provided for the students through Google class room, Zoom App, Whats app group sharing etc., and asked for their submission through online only. At the end of every session, students were assessed through online test which is intimated in advance with stipulated time to submit. Students' appraisal of the tools like feedback, value of online learning through video presentation and demonstration, evaluation of their involvement by their immediate response in online class were important factors and that are essential to improve the quality of online learning system.</p> | |
