A REPORT ON MILESTONE- 2K23

Date: 23rd March 2023

Time: 11.00 am to 04.00 pm

AIM / PURPOSE:

The MILESTONE-2K23 is a National Level Mega Event organized by our institute every year since 2004-05. This event drives the different activities of various streams such as follows:

1. Paper Presentation
2. Career to Corporate
3. Code-a-thon
4. Carnival: Fun of Marketing
5. Creator: Website Design
6. Creativepreneur
7. Googler
8. Intellectual Mind
9. E-Sportz Extravanganza
10. Poster presentation /Model Making
11. Reals and Reels: (Smart Phone Movie Contest)
12. Scavenger Hunt

The whole event was organized & managed by students under the guidance of Management, Principal and Teachers. The main purpose of organizing various events under MILESTONE is to promote and nurture the innovative spirit among students and to provide them with an opportunity to showcase their technical skills on their area of interest, build confidence, gain feedback and meet like-minded fellow students.

The Paper and Poster presentation theme was Recent Trends in various disciplines such as Science & Technology, Engineering, Computer Application, Pharmacy, and Commerce& Management. It aims to bring out creativity and analytical skills among students by enhancing knowledge in a particular subject. To help learners to focus on a certain idea, event, fact or process.

From each and every department students have showed their great interest and put their efforts to create amazing technical competitions.

OBJECTIVES:

- To provide a platform for young brains to showcase their innovative ideas and compete with their peers
- To demonstrate creativity in designing models using eco- friendly resources.

- To improve analytical thinking, listening and communication skills.
- To develop knowledge and innovativeness of students in programming.
- To create market linkages and scale up small business opportunities.
- To practice problem solving in a tangible way & complete challenges by working as a team.
- To improve problem solving skills and logic.
- To create a group of young minds with quizzing talent

PARTICIPANT'S PROFILE:

The participants were students of the same college & other colleges from various disciplines like Engineering, Management, Pharmacy, Arts Commerce and Science.

DESCRIPTION ABOUT THE PROGRAM:

SSBT's College of Engineering and Technology Bambhori, Jalgaon organized the National Level Mega Event "MILESTONE- 2K23" on 23/03/2023. The Event was conducted by Women Faculty Members along with students (03 Faculty Convener and 06 Student Convener).

The event was inaugurated with warm welcome & Deep Prajwalan by Dr. G. K. Patnaik - Principal, SSBT's College of Engineering and Technology, Bambhori, Jalgaon (M.S.), Dr. S. L. Patil Principal, SSBT's Arts Commerce Science College, Bambhori, Jalgaon (M.S.), Dr. Amol Landge Principal, SSBT's Institute of Pharmacy, Bambhori, Jalgaon (M.S.) and all Faculty Conveners. Inaugural Speech was given by Dr. G. K. Patnaik. He addressed the participants, that how such type of technical events can enrich their innovative ideas, knowledge, communication skills and abilities because these are the important pillars for any graduates from technical institutions.

Information regarding various activities was shared by one of the Student Convener Ankita Pardeshi.

FEEDBACK & ANALYSIS:

"Looking at the feedback, all the participants rated the session as *"Excellent"*, and some of the words they used to describe it include; thoughtful, exciting, fun, meaningful and motivating." Students enjoyed a lot by participating in various events organized under MILESTONE 2K23 – A National Level Mega Event.

OUTCOMES:

Students get to meet students of other institutes and create a network of their own within student community. Technical Events are an amalgamation of fun and learning where spectacular ideas are displayed, and students learn and feel inspired. To learn in detailed about a core subject which is a part of curriculum and develop effective presentation skills. To bring students out of stage fear and also improve their communication and also managerial skills. It helps students learn networking and soft skills. The students who can multi-task, take initiative, and are enterprising have better chances of getting hired. These exhilarating college fests play a significant role in shaping the career of a student.

GLIMPSES:

Dr. Sunita S. Patil - Asst. Prof. Department of Applied Science

Dr. Richa A. Modiyani - Asst. Prof. Department of Business Administration

Mrs. Shital A. Patil - Asst. Prof. Department of Computer Engineering

PAPER PRESENTATION:

Paper presentation is a competition where each participant is required to prepare an article/ paper about a given topic or area, and then present it in front of the juries.

Objectives:

1. To encourage students by providing them with the opportunity to present their work, build confidence, gain feedback and meet like-minded students.
2. To bring out creativity and analytical skills among students and to enhance knowledge in a particular subject/ topic/ area.

Outcomes:

1. To enhance participant's ability in Writing article/ papers in English as well as to present it.
2. To provide an opportunity to learn in detail about a subject/ topic/ area in emerging fields/ recent trends and develop effective presentation skills.

Rules of the Event:

Team Formation:

1. Team can have maximum of 2 participants.
2. It is not necessary that the participants forming a team should be from the same college.
3. There is no restriction on the number of teams from the same college.

Presentation Rules:

1. The paper submitted will have to be presented during the event.
2. Hard copies of the same are to be submitted before presentation to Judges.
3. The Teams will get EIGHT minutes to present their paper and TWO minutes will be for questioning by judges.
4. The participants will have to present their papers using slides in MS-Power Point (PPT) format only.
5. Violation of any rule can result in rejection of paper.

The paper should be in IEEE format.

1. Abstract may not exceed the limit of 500 words.
2. The front page should have title of paper on the top and the details of the team members at the bottom. (As mentioned in abstract)
3. It should have abstract attached.
4. Font style for text: Times New Roman.
5. Font size for text: 12 points.
6. Font size for headings: 16 points.
7. Font size for sub-headings: 14 points.
8. Margin of 1 inches from all sides.

Prizes: 1st prize: Rs.1000/- 2nd prize: Rs.750/- (Branch wise)

MODEL/ POSTER PRESENTATION:

(Theme: 'Sustainability and Environment Friendly)

Posters provide visual, colorful, simple ways to communicate community issues and events, and are suitable for display in community spaces.

To promote logical acumen and equip the learners with learning skills like critical thinking, communication, collaboration and creativity in Model Making.

Objectives:

1. To judge the students based on their creative aspects but also to trigger thought process among the students towards recent trends in Science & Technology/ Commerce & Management/ Pharmacy.
2. To help learners to focus on a certain idea, event, fact or process.
3. To reinforce the practice of learning by doing.
4. Exhibits creativity in designing models using eco- friendly resources and out of box thinking in solving problems.

Outcomes:

1. To check the understanding and concept clarity of the students through a 360-degree knowledge test, where they have to conceptualize idea, design, get involved in resource management and exhibit the models.
2. To develop critical thinking skills in the students, by providing them with a fun filled activity-based learning time.
3. To gauge their knowledge and awareness of recent trends in various fields.
4. To bring out the creative expression of students.

Rules of the Event (POSTER):

1. The Topic of poster and theme should be clearly mentioned at the Top Margin of the Poster.
2. Poster board / space of 1m x 1m and material for affixing the poster will be provided by the organizer.
3. Participant has freedom for preparation of poster.
4. It can be flex printed or hand drawn. Maximum two participants are allowed per poster for poster presentation.
5. Poster should not contain any personal details like Name, Class, School/ College etc. of the participants. These details should be mentioned in registration form only.

6. Participants can participate in any one of the following theme areas:

- Commerce, Management, Law etc.
- Pure Sciences: Physics, Chemical, Life Sciences, Mathematics, Environment, Home and Computer Science
- Engineering & Technology
- Pharmacy

Rules of the Event (MODEL):

1. Students from any discipline can participate.
 2. It should be Product Design, Working Prototypes and Engineering Models.
 3. Participants should bring their requirements along with them on the day of the event
 4. The team should display their model throughout the event schedule. Failing this the team may be liable for disqualification.
-
- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
 - Students will have to carry copy of valid Higher Secondary School/College/University ID card.

 2. Website should have informative content.
 3. Website should be built using HTML, CSS and Vanilla JS only.
 4. No CSS or JS external frameworks and libraries are allowed.
 5. Participants will be judged on the basis of the aesthetics and code of the website.
- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
 - Students will have to carry copy of valid Higher Secondary School/College/University ID card.

E- SPORTZ EXTRAVAGANZA:

This event is for students having better coordination among their team members. It has been organized for students who love gaming and who are passionate about it.

Objectives:

1. To develop Sportsmanship, Leadership, Communication and Teamwork.
2. To play together in a shared space, whether a shared virtual space or a physical space like e-sports.

Outcomes:

1. To improve problem solving skills and logic.
2. It enables confidence that allows for shared experiences and personal growth.

Rules of the Event:

Round 1: Erangel Map

1. Each team allows maximum 4 Players in their squad.
2. Players must register their username as mentioned on their College ID Proof.
3. All the players in the squad must be present in the college campus otherwise the team will be disqualified.
4. Minimum criteria of the Player Level (Team) must be 10.
5. Free WIFI facility will be provided at college.
6. No third party app is allowed. Eg. VPN or DNS.

Round 2:

1. First three teams will be qualified for 2nd round.
2. Two teams from 2nd round will be the winners of the event.

- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
- Students will have to carry copy of valid Higher Secondary School/College/University ID card.

GOOGLER:

“Google” is the world’s most powerful search engine. How many questions can you make Google answer for you? Here is our challenge to make everyone aware of the power of Google and also test their technical as well as general knowledge. Find out how efficiently and effectively can you Google.

Objectives:

1. To understand the importance of critical thinking.
2. To impart participants how to be critical evaluators of information.

Outcomes:

1. To apply key terms related to the Internet with the assistance of a glossary.
2. To gain knowledge and experience through researching and analyzing information.

Rules of the Event:

Round 1: Elimination Round

- Each team will have to Google 10 questions within 10 minutes.

Round 2:

- Qualified teams will be given 5 questions to be solved within 5 minutes
- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
- Students will have to carry copy of valid Higher Secondary School/College/University ID card.

INTELLECTUAL MINDS:

This event is for students who are having good general knowledge, general ability and interest in the current affairs. The one who wants to prove their intellect can participate in this event.

Objective of the event:

1. To create a group of young minds with quizzing talent.
2. To improve or expand one's knowledge of things, either general or in specific area.

Outcome of the event:

1. It motivates any individual to have a good common sense and be up to date with current affairs.
2. It enables confidence for students who are preparing for competitive examinations.

Rules of the Event:

Round 1: Elimination Round

- Any individual or dual can participate in this event.
- Participants shall not be allowed to use mobile or other electronic instruments.
- Questions shall be in the form of multiple choice, True / False statement, Visuals, Specific-answer question etc.
- Shortlisted team will go in the next round.

Round 2: Buzzer Round:

This is the final round of this "Intellectual Minds" event.

- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
- Students will have to carry copy of valid Higher Secondary School/College/University ID card.

REALS AND REELS: (Smart Phone Movie Contest)

This is a competition of short films fully shot by smart phones. It aims to expand the creator's range of expression and opportunities for challenges.

Objectives

1. To discover and support young filmmaking talents.
2. To make smart phone filmmaking affordable and accessible to all

Outcomes

1. To showcase their talent and creativity by applying their learning in real situations.
2. To foster the creativity, imagination and the skill of presenting their ideas, thoughts and perceptions.

Rules

1. Theme: College Life
 2. Mode: Films should be shot by smart phone only.
 3. Duration: 120 seconds to 180 Sec
 4. Language : English/Hindi/Marathi
 5. FORMAT – .mp4 files with widescreen.
 6. How to participate: Shoot the video using (Smart) mobile phone on the date of the event at our campus (SSBT's COET, Bambhori, Jalgaon) and the film should be submitted as "Smart Phone Movie Contest", with the name of the participant and institution on 19/03/2023 up to 2 pm.
 7. The movie must be original and should not violate any provision of the Indian property act, Copyright Act, etc.
 8. The content of the movie should be suitable for Universal viewing and not contain any provocative, objectionable or inappropriate content.
 9. ONE (1) ENTRY of two participants and/ One prize per film regardless of the number of people credited.
- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
 - Students will have to carry copy of valid Higher Secondary School/College/University ID card.

SCAVENGER HUNT:

Scavenger hunt, the idea of hunting for hidden treasures has always been exciting and adventurous. It is an easy, adaptable, and fun way to interact and help start making discoveries of their own.

Objectives

1. To practice problem solving in a tangible way & complete challenges by working as a team.
2. To utilize problem solving skills & come up with strategic plans to complete the challenge.

Outcomes

1. To discover, explore, solve problems, test new ideas and experience companionship, cooperation and teamwork.
2. To develop their curiosity, predicting and persistence skills through searching for treasure.

Rules

1. Do not open and view the clues prior to the announcement that the hunt has started.
 2. Teams must travel on foot.
 3. Teams are free to utilize resources which exist independently of the treasure hunt.
 4. Teams may use smart phones or mobile internet devices.
- The decisions of the jury will be final and binding - no appeal will be admitted. Organizers reserve the right to disqualify any entry found misbehaving.
 - Students will have to carry copy of valid Higher Secondary School/College/University ID card.

The organizers reserve the right to change/update the rules of the contest at any point of time and will do their best to inform to participants of the same. However, it is ultimately the responsibility of the teams to keep themselves updated.
