## Intuition The News Letter

### Department of Applied science

Volume 10 Newsletter - January-June 2018

**Vision**  
To emerge as the leading applied science department for the overall development of first year engineering students and Faculty through academic and research activities to meet up the global standard.

**Mission**  
To provide student-centered conducive academic, research and value-added educational atmosphere by the activities of faculties of applied science.

### Our Inspiration

Hon'ble Smt. Pratibhaty Patil & Hon'ble Dr. Devisinghi Shekhawat

Prof. Dr. K. S. Wani  
Principal

Dr. G. K. Patnaik  
Director of Academics

Hon'ble Shri. Kausabhab D. Shekhawat  
Management Trustee  
Shram Sadhana Bombay Trust's

**Objectives**  
To impart innovative teaching and learning  
To provide quality education with futuristic trends in engineering and technology  
To develop the institute as a research center for academic excellence  
To ensure continual improvement in quality management system  
To inculcate social values, patriotism and professional ethics among the students.

Thank You

**Departmental Events Science Exhibition-2018**

The purpose of Science exhibitions is to develop scientific attitude in the young generation of our country to make them realize the interdependence of science, technology and society and the responsibility of the scientists of tomorrow. These objectives may be achieved by presenting the exhibits as an exciting experience of creativity of children, innovations through improvisations of science kits, and various devices and models for providing solutions to many present and future socioeconomic problems particularly those confronted in the rural areas, using available materials and local resources.

The Department of Applied Science organizes Science Exhibitions on 28 February at University levels every year. The activity aims at providing a common platform to schools, teachers and students to give shape to their innovative ideas and learn from each other's experiences. These exhibitions also intend to provide a medium for popularising Science and increase awareness among the stakeholders about close relationship between Science, Technology and Society.

**Students Participation in Cultural Activities**

**Mr. COET and Miss COET-2018**

**Milestone 2018**

The purpose of Milestone programme is to develop the paper writing skills of our students. The programme is conducted every year in the month of February. FE Coordinator: Mr. N. B. bhoi

**Judges:** Dr. S. S. Patil, Mr. C. U. Nikam, Ms. D. I. Desai

**Total Entries :** 10      **No. Of Participants:** 29

**Participants and Winners of Milestone -2018**
