DEPARTMENT OF COMPUTER ENGINEERING

Our Inspiration

Hon'ble Smt. Pratibhatai Patil &
Hon'ble Dr. Devisinghji Shekhawat

About College

VISION: Today we carry the flame of quality education, knowledge and progressive technology for global societal development; tomorrow the flame will glow even brighter.

MISSION: To provide conducive environment for preparing competent, value added and patriotic engineers of integrity of par excellence to meet global standards for societal development.

Shri. Raosaheb Shekhawat
Trustee

Prof. Dr. K. S. Wani
Principal

Shri. S. P. Shekhawat
Director Academics

About Department

Shri. K. P. Adhiya
Head

VISION: To emerge as the leading Computer Engineering department for inclusive development of students.

MISSION: To provide student-centered conductive environment for preparing knowledgeable, competent and value-added computer engineers.

Departmental Events

### Industrial Tour/Visit at Infosys Technology Bangalore.

Computer Department organized Industrial Visit at Renowned IT company, Infosys Technologies, Mysore on 01 to 09 Jan 2013. Infosys Technologies has built the world's biggest corporate training facility for IT professionals in Mysore. The Rs. 260 crore corporate training centre has been set up by Infosys, which adds 12,000 employees every year. In this Industrial visit all students attended SPARK event conducted by HR Team of Infosys. They got knowledge about software development phases and whole trainee level information. The whole Industrial visit was coordinated by Associate professor Mr. M.E. Patil along with Mr. Atul Dusane, Mr. Sushant S. Bahekar, Miss Nutan D. Khadase and Miss Mayuri R. Patil.

Industrial visit at Doordarshan Jalgaon

High Power Transmission Room in Doordarshan, Jalgaon

Students of final year Computer Engineering visited Doordarshan Jalgaon on 10th and 11th   January 2013. As per the academic curriculum, this Industrial visit was scheduled.Mr. Badgujar, Doordarshan guided the students regarding the working of satellite transmission (INSAT 3A). This visit was co-ordinated by Mr. Dipak D. Bage & accompanied by Mr. Vijay A. Kotkar, Miss. Priti R. Sharma.

Departmental Events

One Day Seminar on "Cloud Computing "

Computer Department organized seminar on Cloud Computing on 21st Jan 2013 for CSI students. The Expert for this seminar was Dr. Shirish S. Sane. From this seminar students got knowledge about Cloud Computing and its applications. Also, students learned how to upload data or application software on cloud.

Gate Mock Test on 03 Feb 2013 for BE Comp

Computer Department arranged lectures on GATE 2013. For these lectures students from T.E and B.E. were present and the lectures were delivered by Mr. Ashish Patil through tutorial CD. These sessions were conducted from 24th Jan. 2013 to 9th Feb. 2013.

After completion of these sessions GATE Mock Test were conducted on 4 & 5th Feb 2013. Purpose of this activity was to provide proper guideline to the students and prepare them for GATE 2013 exam.

Departmental Events

Guest Lecture on "Microsoft Technologies"

Computer Department organized Guest Lecture on "Microsoft Technologies" on 05th Feb 2013 for TE & BE students. The Corporate Trainer for this Guest Lecture was Mr. Manek Birla. In this Guest Lecture students got knowledge about various Microsoft Technologies and its applications.

Workshop on "Advanced JAVA "

The Workshop on "Advanced JAVA" was organized on 27th Feb. 2013 to 10 March. 2013 in Computer Engineering department for TE Computer Students. Expert faculty, Mr. Pramod Jadhav, Corporate Trainer from Vinsys Pune, delivered informative and useful lectures. Also, he gave hands on experience of Advanced Java programming during the workshop. This workshop helped the students in preparing major projects at final year of Engineering.

Departmental Events

Online Workshop on "Aakash Android Application Programming "

The Online Workshop on "**Aakash Android Application programming**" was organized on 2nd & 3rd Mar. 2013 in Computer Engineering department for TE & BE Computer Students. It was conducted by IIT Bombay and it was focused on Aakash Android Application Programming. This workshop will be helpful them for becoming experts in Android application programming and preparing major projects in final year of Engineering.

Industrial visit at BSNL, Jalgaon

Industrial visit was conducted on 05 March 2013 at BSNL, Jalgaon. Students of final year were benefited in this visit. Mr. Amit Sonawane, TTA, BSNL, Mr. Vinod Mahajan, JTO, BSNL and Other section incharges of various departments provided the information to all students. During the visit, students visited various sections in batches. Those sections were Internet, Broadband, EWSD (Electronic Wheeler Switching Digital), OCB (Organ Control Board) Exchange, CDMA-WLL (Collision Detection Multiple Aceess — Wireless in Local Loop)) and GSM (Global System for Mobile Communication) Mobile. This visit was Coordinated by Ms. Yogeshwari Borse and supported by Mr. Vijay Kotkar.

Departmental Events

Women Training Program LIFE 2013 on " Internet Applications"

The training program on "Internet Applications" for women was organized on 8th March 2013 (Women's Day) in Computer Engineering department. The faculty delivered the lecture on Internet and its application in real world. Also, they gave hands on experience of Internet and its use. This program will be helpful for woman to compete with the today's fast growing world in technological aspect. The Program coordinator for this event was Dr. Mrs. Saroj Patil and supported by all the faculty of Computer Engineering Department .

Workshop on Cloud Computing

Computer Department organized workshop on Cloud Computing for S.E. Computer students on 9 & 10th March 2013. Workshop was conducted by corporate trainer Mr. Mayur Bari. From this workshop students got knowledge about Cloud Computing and its applications. Also, he taught how to upload data or application software on cloud.

Departmental Events

Aptitude Test Series: Test-I (Logical Puzzle)

Logical Puzzle under Aptitude Test Series was conducted by Student Association (COESA) in Computer Engineering Department on 15/03/2013 . Students from BE had participated in this test. The objective of this event was to improve the time management skill to solve the logical Puzzle and have a practice to solve the puzzle. This aptitude test was coordinated by Mr. N. Y. Suryawanshi and supported by Mr. Dipak D. Bage.

Aptitude Test Series: Test-II (Technical & General Knowledge)

Aptitude Test-II based on Technical & General Knowledge was conducted on 16/03/2013 . Students from SE and TE of Computer Engineering participated in this test. The objective of this event was to improve the technical as well as general knowledge of students and they should be acquainted with the current scenario of the surroundings. This event was coordinated by Mr. N. Y. Suryawanshi and supported by Mr. Dipak D. Bage, Mr. Vijay A. Kotkar, and Mr. Sushant Bahekar.

Seminar on "SAP"

The Department of Computer Engineering organized seminar on "SAP" by an eminent IT personality, Mr. Sandip Singh, Spectrasoft Technologies Ltd., Mumbai on 19/03/2013. The beneficiary of this seminar were Third and Final year Computer Engineering stu-

Departmental Events

Workshop on Cloud Computing

Computer Department organized workshop on Cloud Computing for T.E. and B.E. Computer students on 22 & 23rd March 2013. Workshop was conducted by corporate trainer Mr. Mayur Bari. From this workshop students got knowledge about Cloud Computing and its applications. Also, he taught how to upload data or application software on cloud.

Project Exhibition Competition : Shodhprakalpa- 2013

Project Exhibition was conducted by Department on 6th April 2013. Prof. U. S. Bhadade, Head of Computer Department, GF's GCOE, Jalgaon and Mr. Pravin M. Patil, JTO, BSNL, Aurangabad, were invited as judge. Total 40 projects from final year Computer Engineering were examined during exhibition. First prize was given to Miss Mitali Kulkarni, Miss Pallavi R.Patil ,And Miss Sadhana Dhande for their project entitled as "Implementation of High Technology in Railway Automation using Embedded System" which was guided by Mr.Dipak Bage. This event was coordinated by Mr. Sandip S. Patil.

Departmental Events

Spoken Tutorials

Computer Engineering Department arranged various Spoken Tutorials, which were conducted by IIT Bombay. Following is the list of spoken tutorials.

Sr. No.	Tutorial Topic	Conducted on	Class
1	Linux	2nd March 2013	T.E. Computer Students
2	Java	2nd March 2013	B.E. Computer Students
3	Linux Ubantu	4th March 2013	B.E. Computer Students
4	Linux Certification	26th March 2013	B.E. Computer Students
5	Linux Certification	3rd April 2013	T.E. Computer Students
6	Java Certification	15th April 2013	T.E. and B.E. Computer Students
