### VISION

Today we carry the flame of quality education, knowledge and progressive technology for global, societal development; tomorrow the flame will glow even brighter.

### MISSION

To produce conducive environment for preparing competent, value added and patriotic engineers of integrity of par excellence to meet global standards for societal development.

### DEPARTMENTAL  VISION

To develop technocrats as per industry technical needs and social values.

### DEPARTMENTAL MISSION

To provide conducive environment to impart technical knowledge through teaching , self learning and skill development programme.

# About Information Technology

A response to the exponentially growing market for Information Technology, The Information Technology branch commenced from the Academic Year 2001-2002, for Degree Engineering courses.

The Information Technology Department has got the NBA Accreditation by NBA Committee constituted under AICTE with effect from 19/07/2008, for 5 Years. It is the only Accredited IT Department in NMU, Jalgaon. It is one of the 10 departments of our college, which has emerged into a very sophisticated section in a very small period of time. The major attraction of the department is its well-equipped units with high quality resources and facilities for the students and staff to utilize and at the same time gain and impart knowledge.
