self learning and skill development programme.**

IT NEWS

About Information Technology

A response to the exponentially growing market for Information Technology, The IT branch commenced from the Academic Year 2001-2002, for Degree Engineering courses.

It is one of the 10 Departments of our college, which has emerged into a very sophisticated section in a very small period of time. The major attraction of the department is its well-equipped units with high quality resources and facilities for the students and staff to utilize and at the same time gain and impart knowledge.
