The current economic scenario is highly competitive and requires participants to deal with uncertainties and turbulent situations while keeping an eye on performance. Our students are keenly aware of the need to be innovative and analytical to stand out in a crowded marketplace. We have consistently been at the helm of management education, focusing on quality and excellence for the holistic development of the students. During this hard time of COVID pandemic, our talented and ever-willing –to- work staff, have been showing their care and concern for the College and students, working from home preparing notes and engaging classes online for the benefit of students. I appreciate their concern for the students and commitment to academics.

I would like to express my heartfelt gratitude to all the esteemed recruiters and alumni for their ceaseless support and faith in our students. We are proud to have a stupendous batch of managers and leaders and firmly believe that the batch of 2019-21 would take the legacy forward with even more vigor.
