SSBT's COET is a magnificent artifact in terms of its state of the art infrastructure, pedagogy and immense learning exposure. Its prestigious repute initially started early in 1983 with courses in Engineering & in 2008 with M.B.A , it has been honing world class management graduates and making them ready to take up future business challenges.

It is believed that the students are as good as their teachers, and thus at SSBT, we have a collection of highly qualified and experienced faculty. We strive to nurture the technical, emotional, moral and physical quotient of each of our students. The Institute has a very elaborate curriculum which is updated regularly. The excellence of SSBT can be measured by the stellar performance of its alumni who have made their presence felt not just in India but in abroad also. Our alumni keep interacting, coaching and mentoring the students. This has helped to keep our students updated about the current trends in the business world. I am sure that your organization will benefit significantly from the well groomed & trained students of SSBT.

I would also like to add that the students recruited by you would not only work for their personal growth but also for the growth of the organization and hence, I feel privileged to welcome you to participate in the Campus placement program 2020-22.

FROM THE PRINCIPAL'S DESK

Greetings from SSBT's COET,

SSBT's College of Engineering & Technology, Bambhori, Jalgaon has always been synonymous with excellence. Renowned educational Institute affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon which is playing an important role in shaping the future of tomorrow.

The institute has been accredited by various accreditation board/council and bagged several awards during its four decades of presence. Infrastructural support to ensure educational outcomes being one of the best practices of the institute has facilitated effective teaching and learning. To introduce students a new stage of learning and holistic approach, value added and skill education has been another best practice of the institute that makes students competent to face real world challenges for better career opportunities & self-reliance.

Vision of the Institution is to empower students with quality education, knowledge, progressive technology and cultivate the sense of social responsibility and patriotism. The Institute has established its distinctive approach towards this comprehensive Vision by intending it in the form of service to the society, by developing skilled human resource, multidisciplinary facilities to enrich research environment and Entrepreneurship development. The team of exemplary faculty and academicians at the institute is committed to nurturing 'business ready managers' by imbibing in them strong values and leadership skills. Fostering experiential learning is the foundation of our teaching pedagogy which infuses an entrepreneurial mindset among the students.

Institute's placement activities play a vital role in grooming and molding students to be corporate ready by charting courses to enhance their employability. The training programs are well designed to sharpen their basic business acumen and improve general awareness. The students at SSBT are exposed to an array of experiences in terms of internships, projects, corporate acquaintance, teamwork, out-bound training, cultural fests, and sports events which prepare them to be equipped with the challenges and dynamics of the corporate world.

It gives me immense pleasure in extending a cordial invitation to your esteemed organization for visiting and conducting campus interview of our students at our Institute.

I look forward to your earnest participation in our recruitment program.

Prof. (Dr.) G. K. Patnaik

Principal
