SHRAM SADHANA BOMBAY TRUST'S

COLLEGE OF ENGINEERING & TECHNOLOGY,
BAMBHORI, JALGAON

NAAC Accredited With Grade B++ (CGPA of 2.91)
Accredited Since 2005

PROSPECTUS (2020-21)
BACHELOR OF ENGINEERING (B.E.)
MASTER OF BUSINESS ADMINISTRATION (M.B.A.)
Vision
Today we carry the flame of quality education, knowledge and progressive technology for global societal development; tomorrow the flame will glow even brighter.

Mission
To provide conducive environment for preparing competent, value added and patriotic engineers of integrity of par excellence to meet global standards for societal development.

Objectives
- To impart innovative teaching and learning
- To provide quality education with futuristic trends in engineering and technology
  - To develop the institute as a research center for academic excellence
  - To ensure continual improvement in quality management system
- To inculcate social values, patriotism and professional ethics among the students

Our inspiration

SMT PRATIBHA DEVISINGH PATIL
Former President of India
Founder Chairperson,
Shram Sadhana Bombay Trust

Dr. DEVISINGH R. SHEKHAWAT
An Eminent Educationist
Former Chairman,
SSBT’s COET, Bambhori, Jalgaon.
and
Founder President,
Vidyabharati Shaikshanik Mandal, Amravati

SHRI. RAOSAHEB SHEKHAWAT
Ex. M.L.A., Amravati
Managing Trustee,
Shram Sadhana Bombay Trust.
Chairman,
SSBT’s COET, Bambhori, Jalgaon.
and
Vidyabharati Shaikshanik Mandal, Amravati
Ours is a generation having not only seen the transition of millennium in temporal and spatial sense but also rapid changes and radical transformations in terms of technology, lifestyle and consequent challenges. The old paradigm where index of prosperity were capital assets has gone obsolete and the intellectual property has emerged as the novel index of prosperity. Technology has appeared as a boon to transform the society and to raise its living standard to zenith. Education, specifically the technical education has become the means to transform mankind to human resource.

With an objective to meet the educational aspiration of the deprived region of North Maharashtra, SSBT's College of Engineering and Technology, Bambhori, Jalgaon was established in 1983. Today with its elegant and magnificent infrastructures, qualified, dedicated and experienced staff and driving influence of its magnanimously visionary leadership, the institute has grown up in various aspects of education, research, and consultancy. It has several hallmark of excellence in its credit.

The institute is working for the students to make them competent engineers, patriotic citizens and sensible human beings. It grooms the students holistically and instigates their creativity through various means like induction program. The institute takes care of its societal development responsibility through technological input by means of engaging itself to the schemes like Unnat Bharat Abhiyan etc. Excellence is the vision of this institute and it has immense vigor to continue its voyage in the critical moments of Covid-19 pandemic. The institute has successfully switched over to online theory classes, even online laboratory practical classes and examinations. I acknowledge and appreciate the integrated whole hearted endeavor of all stake holders including students, staff and management who have given a concrete shape to the contemplation.

Greetings & welcome to SSBT's Engineering College!

Prof. Dr. K. S. Wani
Principal
Inauguration Ceremony of International Conference on Global Trends in Science, Technology, Humanities, Commerce & Management (ICGTSTHCM19) jointly organized by department of Biotechnology & Department of Mechanical Engineering on December 28-30, 2019

Chemical Engineering students Participated in DIPEX 2020 at Solapur

Vermicomposting Project under Energy Club of Biotech Engineering

Tree Plantation by Chemical Engineering Department

Electrical Department: QUIZ Master Conducted by EESA

Add on Course on “Fundamental of Electrical and Electronics Applications” Conducted by Electrical Department
Programmes Offered

COET offers the following undergraduate, postgraduate degree & Ph.D. Programmes.

Shram Sadhana Bombay Trust

Shram Sadhana Bombay Trust (SSBT) is established in year 1972, under the guidance of our founder chairperson, Smt. Pratibha Devisingh Patil, the former President of India. The Trust has unique vision to impart education in sectors like Engineering, Technology and Management. Shram and Sadhana is omnipotent, and this is our embodiment in an enrichment.

SSBT’s COET at a Glance

SSBT’s College of Engineering and Technology is an Engineering College governed by Shram Sadhana Bombay Trust (SSBT). It is a College with long tradition of imparting excellence in education.

1) It is included under section 2 (f) and 12(B) of UGC act 1956.
2) QMS of College confirms to ISO 9001:2015.
3) Approved by All India Council for Technical Education (AICTE), New Delhi.
4) Permanent affiliation to K.B.C.N.M.U., Jalgaon.
5) Three times NBA Accreditation
   i. 2005-2008
   ii. 2008-2013
   iii. 2014-2016
6) NAAC Accredited with Grade B++ (CGPA of 2.91)

Milestones of Institute

- A Grade by K.B.C.N.M.U., Jalgaon.
- Awarded Best Engineering College of Maharashtra by Engineering Education Foundation, Pune. 2008-09
- Excellence Education Award by Lokmat Group in 2015.
- Brand Excellence in Education Award 2017 by (94.3 MY FM) Dainik Bhaskar Corporation Ltd.
- Better India Education Award 2018 by Today Research & Rating, New Delhi
Campus

25 acres of lush green campus of the college is located on the bank of meandering river Girna. The College is just about 7 km from the Jalgaon junction railway station and central bus stand. Jalgaon is well connected by train with all major cities of the country and by bus with rest of the Maharashtra State. Ajanta and Ellora caves, the rich heritage of India, are near Jalgaon and can be visited in a day. The Campus is well developed with all basic infrastructural facilities.

Facilities Offered

The facilities available for benefits of students in the campus, some of them are
- Wi-Fi Campus
- Yoga Centre
- Canteen and Cafeteria
- Bank, ATM etc.
- Bus facility
- Medical Facility

Workshop

Central workshop houses modern machines available at carpentry, smithy, moulding, forging, fitting and machine shops. CNC Lathe and Milling machines increase the utility of machine shop.

Computer Labs and Softwares

COET has vast IT infrastructure with Software and Hardware. Every department has its own Computer Lab with specialized software relevant to the department. Some of the softwares available in the college are Ideas, Build Master, Adfast, MDT, Ansys, AutoCAD, Soul, STRUDD, CM (Construction Manager), Super Civil, MATLAB, VLSI Software of Xilinx, PCB Software, ASPEN HYSYS, GRAM++ etc.
Library
The college has well-stacked air-cool library having 14000 sq. ft. area. It has more than 63,000 books costing Rs. 2.22 crores including an extensive range of reference books, text books, magazine, news papers and educational CD’s. More than one hundred National and International Journals are subscribed. E-Library consists of E-books and E-Journals subscribed for all departments. Automated Service, a computer aided referencing system is provided to locate the books easily. The college has institutional membership of IIT Powai (Mumbai) to provide access to IIT Library and also DELNET facility & reading room.

Classrooms
Class rooms are spacious, well-ventilated with natural light and adequate electrical facilities. Ergonomically designed furniture, teaching aids like LCD etc. are used in teaching - learning process. The spirit of classroom training encompasses the fundamentals of theoretical and conceptual learning through interactive sessions of case studies, assignments, quizzes and presentation by students.

Finishing Classes and Language Lab
At SSBT we expect high level of politeness, decorum and personal presentation at all times. Our students are engaged with experts to learn the art of etiquette. The emphasis is on total personality development, social etiquette, confidence building, body language and accent training.

External Agencies are hired to inculcate all these skill among students of our college. A separate language lab is developed for students to improve their communication skills.

Shram Sadhana Scholarship Scheme
Shram Sadhana Bombay Trust under the able guidance of Shri Raosaheb has started Shram Sadhana Scholarship Scheme for financially weaker students to help them to complete their engineering education in this college.

Hostels & Staff Quarters
The college has two in-campus boys hostels which accommodate 800 students and two in-campus girls hostel to house 350 girl students. Solar water heater, RO System for drinking water, Wi-Fi connectivity, and In-door games facilities are available for all the inmates. In Campus staff quarters are also available for teaching and non teaching staff.

Sports and Gymnasium
Sports are an integral part of education system. Our college has a football ground, cricket ground, 400 meter running track, basketball court & table tennis hall. Well-equipped gymnasium is available on campus. Other Indoor game facilities are also available within the campus, which includes Table Tennis, Billiards, Chess, Carrom etc.

Our students represents university in various sports events. Some of them have played at national level also.

Spiritual Environment
A Temple of Lord Ganesha, Goddess Saraswati and Goddess Laxmi is situated in campus to up keep religious culture. Ganesh festival and Saraswati pooja are popular functions celebrated by students.

Seminar Hall
Separate Seminar hall of 150 seating capacity is available in each Department. Two AC auditoriums with capacity of 165 seats each are also available.

Sant Mukta Auditorium
The Sant Mukta Auditorium is an open air theater having seating capacity of 2500 students with well equipped stage of 2400sq.ft & with two separate green rooms. The statue of "NATARAJA" of stage of this theater is increasing the beauty of the campus.

Cultural & Co-curricular Activities
We wish our students to be modern but be proud of our cultural heritage and to inculcate in them the traits of all the cultures and traditions, we celebrate
traditional day, various festivals and annual gathering “Vasant Utsav” every year. Beside this student organizes various programs like fresher’s welcome, fare well to outgoing graduating batch etc. regularly which add colors in the campus.

Organizing workshops, Conferences, Project Exhibition for students, Student level paper presentation, Training Programme, Expert Lectures etc. is regular feature of the college.

Alumni Meet
Alumni meet is an annual event of the college. It is encouraging to listen to our alumni so as to know how they look back to their Alma-mater. What was missing and what can be done by both the college and the alumni for the betterment of the students is discussed during the meet. During this Covid-19 Pandamic from April the live lecture series on Facebook was arranged by SSBT Alumni Team. There are 15 Live lecture of eminent alumni were organized for the benefit of the students.

Parents' Meet
Parents' meet is regular feature in which takes place interaction between parents and faculty for the improvement of results, personality overall grooming of the students etc.

Induction Program
For all First Year Students, induction program of three weeks is included in curriculum of Engineering, which is based on the AICTE guideline. This program involves students with various activities carried out by specific trainers/ Masters of their fields. They get chance to explore their inbuilt qualities by performing at various platforms made available to them.

Industry Institute Interaction
It is our aim to develop the engineering students ready for industry needs by providing Industrial Training. Industrial visits are a must to relate the theory into practice, therefore industrial visits are organized on regular basis. Industry persons are invited for expert lectures.

Training & Placement cell
- 206 Placements upto (15.06.2020)
- Memorandum of Understanding: 1) Reliance Jio 2) Studenting Era, New Delhi

Registration for Placement:
- firstnaukari.com portal
- National Apprenticeship Training Scheme (NATS)
- Syntel Campus Recruitment Program for India
- My Anatomy Recruitment Platform
- National Employability Test
- Student Innovation / Start-Ups registration with AICTE under Start-Up India Initiative

Training:
- Training Center for Pradhan Mantri Kaushal Vikas Yojana (PMKVY-TI) coursesa

Workshop/Symposium:
- Five day’s Workshop for TCS Ninja appearing students
- One day Symposium on Software Development
- Online Presence
- Three day’s Student Development Program on “Aptitude Preparation for Campus Drives on CISCO WEBEX

Other:
- Remote Center of IITB, Mumbai
- SWAYAM NPTEL Local Chapter
Digital Infrastructure at SSBT

1) Moodle learning management systems
Moodle is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments. In our institute we have 380+ courses on the moodle server. The course material of each subject along with lab manuals are available online which can be accessed from anywhere any time. The assessment of students are through the quiz facility available.

2) Online learning through Interaction
The SSBT’s teachers are well trained to teach the student at online learning platform. The webex, Zoom Etc. is used by students and teachers for online learning. Due to COVID-19 pandemic in 2nd semester of 2019-20, students have been taught online by teachers. The survey made by the college among students that more than 85% students were comfortable with online classes. The 15% students at rural areas were facing the problem of internet.

3) NPTEL IIT Online Video Lectures
The NPTEL online video lectures are prepared by the faculty of IIT is circulated among students to enhance quality of education. The links of NPTEL videos are available on college website.

4) Online Grievance Submission
A Grievance Redressal Committee is formed at SSBT's, COET, Bambhori-Jalgaon to promote and maintain a conductive and unprejudiced educational environment. It ensures effective solution to various stake holder’s grievances with an impartial and fair approach.

5) Online Admission
The SSBT has online admission facility. Parents can deposit the college fees, through any secured online payment app to college account.

6) Online Admission App
The SSBT has online admission app for engineering aspirants to get awareness about engineering admissions rules and regulation, various government scholarships, FAQs etc..

International Journal

PRATIBHA: INTERNATIONAL JOURNAL OF SCIENCE, SPIRITUALITY, BUSINESS AND TECHNOLOGY (IJSSBT) is a research journal published by Shram Sadhana Bombay Trust’s College Of Engineering & Technology, Bambhori, Jalgaon (Maharashtra, INDIA). The ISSN Number:
Print: 2277-7261 Online: 2278-3857.

International Conference

The 9th International Conference on Global Trends in Science, Technology, Humanities, Commerce & Management (ICGTSTHCM19) was organized by Department of BioTechnology & Department of Mechanical engineering from 28 to 30 December, 2019 in SSBT’s College of Engineering & technology, Jalgaon. The conference was inaugurated at the hands of Dr. Chen Chia Chou, distinguished Professor, Material Science Division, National Taiwan University of Science & Technology, Taipei, Taiwan in presence of Prof. Shirish Sonawane, NIT, Warangal (TS), India, Mr. Ismail Akbani, Symbiosis Institute of Technology, Pune (M.S.), India & others.

Testing & Consultancy Services

Well-equipped laboratories for testing different materials as per Indian Standards codes have been developed. A number of both public and private organizations avail these facilities to get their material tested at college laboratories. All departments maintain a close liaison with local industries, exchange views on technical development and offer consultancy.

Project Exhibition

University level Project exhibition "Shodhprakalp Pratiyogita" is organized every year in which students of various college demonstrate their projects. In each discipline 1" & 2" best projects are selected and awarded with a cash prize.
Nature Club
Nature’s freinds Club is established in the SSBT's College and Technology, Bambhori, Jalgaon, MS in year 2019 - 20. The prime objective of the club is to inculcate awareness about environment, pollution and sustainability in the minds of budding engineers. The club celebrated "No Vehicle Day" in the college on September 17, 2019. Dr M Husain coordinated the activity. On the day all students and staff members were requested to avoid using personal vehicle and to use public transport system was a great response to the activity.

Normally around 480 two wheelers are found in the campus on a normal working day. However on this day the number reduced to 173. People preferred public transport. Four wheeler users also shared their vehicles on that day.

National Service Scheme (NSS)
The College has self finance unit of National Service Scheme (NSS) approved by Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The NSS is part of our social and personal life as it is the third dimension of education.

Motto of NSS is “NOT ME BUT YOU”
The NSS Unit organizes Regular Activities (RA) and Special Camping Programmes (SCPs). Special Camping Programme (SCP) of 7-days duration was organized in the adopted village of SSBT.

Solar Energy Society of India (SESi)
Solar Energy Society of India (SESi) is associated with the renewable energy sources and the related development in the field. This chapter was established in department of mechanical engineering 2020.

The aim of this is to enhance the member student's knowledge and skills in the energy sector which has prime importance in present scenario. Through this platform students can represent their ideas, skill in this sector. Also they can take the benefit to participate in various activities like workshops, seminars and minor projects organized by the society.

Energy Club:
The energy club of college create awareness about energy usage, saving etc. The main objectives of this club are to promote energy efficiency, protect environment, energy conservation, bioremediation, non conventional energy sources, energy audit, water conservation and waste water treatment and innovation in sustainable energy.

Vermicomposting project for composting in-house waste generated in the garden of the college was started by auspicious hand of respected principal on dated 19/12/2019.

Isharae
Indian Society of Heating, Refrigerating and Air-Conditioning Engineers (ISHRAE) Student Chapter, Jalgaon started in the presence of Mr. Amol Gambhir, President, ISHARE Aurangabad Chapter in Mechanical Engineering Department of SSBT’s College of Engineering and Technology, Bambhori, Jalgaon.

The main objectives of this chapter are to motivate the students to pursue a career in the field of heating, ventilating, Air-Conditioning and refrigeration (HVAC & R). It provides professionals development opportunity and continuous training on fundamentals and latest technologies available for students.

Robo Club
Robo club is storied by Mechanical and E&Tc. engineering department. The main aim is to familiar the students with new technology of Robot and AI, machine learning. In this club the group of the students of different department are formed to participate in different national and international Robotics competition which is conducted by reputed organizations and Universities. In 2019 - 20 our college secured 35th rank in Robocon at national level. The college Robo Club team is performing excellent and improving every year. The Roboclub students involves in design and manufacturing of the different
types of Robots and learns new technology which helps them to get good opportunities to secure placements.

**Unnat Bharat Abhiyaan**

The college is committed for the societal development through technological input. Hence it has associated itself with the Unnat Bharat Abhiyan. Dr Pravin A Shirule is coordinating the project. The college has adopted five villages under this project, namely-Bambhori Pr. Cha., Paldhi Bk, Paladhi Kh, Kalyane Hol and Pimpal kothe Pr. Cha.

The college has conducted following activities under Unnat Bharat Abhiyaan:

1. Organized Gramsabha regarding awareness about Unnat Bharat Abhiyaan.
2. Medical Checkup Camp was organized for women’s at village Kalyane hol.
3. Medical Checkup Camp was organized for school children at village Paldhi (Br & Kh) in collaboration with Medical College.
4. Clothe bags were distributed as alternative to Plastic carry bags under “Plastic Free village Abhiyaan”. All types of plastic bags were collected from villagers.

The SSBT has also applied for following technological development proposals which are approved by respective subject experts:

**Shram Sadhana Innovative development cell (SSIEDC)**

Institute Innovation Council (IIC) has been established with the name of SSIEDC, in the year 2019 at SSBT College of Engineering and Technology, Jalgaon. The purpose of establishing the council is to create a vibrant local innovation ecosystem to develop new startup by students and faculties.

The functions of this council are as follows:

1. To conduct various innovation and entrepreneurship related activities prescribed by central MHRD Innovation council within time frame.
2. Organize periodic workshop/seminars, Interaction with entrepreneurs, investors and professionals,
3. Establishing relations of institutes with different industries.
4. Organize different events such as Hackathon, idea competitions etc in coordination with industries.
5. Creating institutional portal for innovation to highlight project carried out by institutional faculty and students.

In order to execute the above functions, a committee comprising of 10 senior members has been established. All these senior committee members are looking after different portfolios such as Chairman, Vice president, NIRF coordinator, Internship activity coordinator, IPR activity coordinator, Innovation activity coordinator, Convenor and ARIIA coordinator. Three external members are added in the committee in order to accelerate the start up and innovation related activities. Also to have proper coordination with students, a student committee has been formed with different portfolios such as social media coordinator, start up coordinator, innovation coordinator. In each semester at least 2 to 3 meetings with faculties and student committee members are conducted in order to plan the activities.

**1. SSIEDC Activities-2019-20**

During academic year 2019-20 different activities are panned under Institute Innovation Council. In the first quarter different events such as seminars on entrepreneurship and start up were organised for students and faculties. On 12th October 2019 a seminar
on ‘Entrepreneurship and Start up’ was delivered by Shri Chabbiraj Rane, Managing Director, Chabbi Electricals, Jalgaon. On 19th October 2019, one day workshop was organised for students on the topic ‘Innovation and Problem Identification’. This workshop was conducted by Dr. Prashant Kadu, Chairman, Mayor Innovation Council, Nagpur. In this workshop students were asked to make groups and were allowed to do some innovative case study based on some of the social issues.

In the month of January 2020, in order to promote activity, based on innovative projects, the students were asked to bring up some innovative ideas. Students also presented their ideas in front of panel. After presentation, the panel recommended two innovative projects (one from Chemical Engineering & Biotechnology Department and other from Computer Engineering Department) for funding. Based on the recommendation from the panel, the CDC committee approved the total fund of Rs. 93,400/- for two projects.

2) Incubation Centre:
The college has incubation center under SSIEDC to promote research activities among teachers and students in collaboration. The Departmental proposals have been sanctioned to start Incubation Centre, details are tabulated as below:

Admission Procedure

a) Under graduate course
   I) 65% admission by Central Allotment Process (CAP) of Government of Maharashtra.
   ii) 15% admission for All India quota.
   iii) 20% admission for institute level quota.

b) Postgraduate Course
   I) 80% admission by Central Allotment Process.
   ii) 20% admission for Institute Level Quota.

   (Admissions shall be made in a transparent manner and strictly as per the Inter-Se-Merit of the Candidates who have applied to the Institution.)

Eligibility
As per DTE Norms. For more information visit http://www.maha-ara.org/.

For First year BE Course:
(i) The Candidates should be an Indian National;
(ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology / Biology / Technical or Vocational subjects / Information Practices / Computer Science/IT/Business studies / Engineering Graphics and obtained at least 45% marks (at least 40% marks in case of Backward class categories, EWS and Persons with Disability belonging to Maharashtra State only) in the above subjects taken together. Also he should obtain non zero score in MHT-CET 2020 conducted by the Competent Authority / Obtained non zero score in JEE Main Paper I.

Or
(ii) Passed Diploma in Engineering and Technology and obtained at least 45% marks (at least 40% marks in case of Backward class categories, EWS and Persons with Disability candidates belonging to Maharashtra State only);

For Direct Second BE Course
(i) Passed Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of candidates of backward class categories, EWS and Persons with Disability belonging to Maharashtra State only) in appropriate branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved institution or its equivalent;
(ii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward class categories, EWS and Persons with Disability belonging to Maharashtra State only) and passed HSC with Mathematics as a subject. Provided that students belonging to this category shall clear the subjects of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the first year Engineering Program along with second year subjects.

Or
(iii) Passed D.Voc. in respective branch or passed equivalent diploma exam. It is compulsory to complete the mathematics bridge course.
For P.G. Course
MBA:
(1) Maharashtra State Candidature Candidate.
   (i) The candidate should be an Indian National
   (ii) Passed minimum three year duration Bachelor’s Degree awarded by any of the Universities recognized by the University Grants Commission or Association of Indian Universities in any discipline with at least 50% marks in aggregate or equivalent (at least 45% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) or its equivalent;
   (iii) Obtained nonzero score in CET conducted by the Competent Authority.

Discipline & Code of Conduct
We value self discipline. However, any act of indiscipline or immoral behavior will invite strict disciplinary action including rustication from the College. Similarly damage to equipment and properties will invite heavy deterrent fines beside disciplinary action.

Attendance
100% attendance is mandatory for all subjects. However, 20% exemption is permitted for medical and other unavoidable reasons. No students are allowed to go out of station without prior approval of Head of Department.

SSBTCOET Softball Team
Annual Sport Prize Distribution
Annual Gathering : VASANTUTSAV
The SSBT’s COET has made MoU with various reputed organizations to nurture the students with various training programmes and on Job and hands on trainings. These MoU’s are highly essential to develop Industry – Institute Interaction.

- **MoU (College Level):**
  1) Associated Chambers of Commerce & Industry of India (ASSOCHAM) and SSBT COET has made and MoU in June 2020 regarding “GEM Sustainability Certification Program”, it will be started first time in Maharashtra. The GEM stands for Green and Eco-friendly Movement which includes Sustainability, Energy and Water Efficiency, Fire and life safety, Indoor Air Quality, Daylight, Fresh Air and Human Comfort according to BEE / ECBC 2017 and NBC 2016. It will empower students of KBC North Maharashtra University, Jalgaon.
  2) Prince of Sonkhala University, Thailand
  3) KrishiVigyan Kendra Durgapur (Badnera), Dist. Amravati
  4) Sant Muktai college, Muktai Nagar

- **MoU (Department Level):**
  To enhance the assurance of training in particular course/ subject to students the MoU at department level were made with local / state level organization. The departments are progressive to enhance the MoU activity with industries.

Tuition Fee Waiver Scheme (TFWS)

(i) These seats shall be filled in by the Competent Authority.

(ii) The scheme shall be mandatory for all Technical Institutions offering Bachelor programs and lateral entry (Separate Division) to these programs that are approved by the All India Council for Technical Education.

(iii) Seats up to maximum 5 percent of sanctioned intake per course shall be available. These seats shall be supernumerary in nature and will be available to such courses in an Institute where a minimum of 30% of sanctioned seats in the respective courses are filled up in respective CAP Round. For calculation of 30%, the Institutional Quote seats retained by institute for the course shall be considered as completely filled.

(iv) The Waiver is limited to the tuition fee as approved by the State Level Fee Regulation Authority for unaided Institutions and by the Government for the Government and Government Aided Institutions. All other fee except tuition fees shall be paid by the beneficiary.

(v) The Candidates admitted under this scheme shall not be allowed to change Institution/course at any stage under any circumstances.

(vi) These seats shall be available for admission to First Year of Engineering & Technology and Hotel Management & Catering Technology courses as well as in Direct Second Year Engineering and Technology (Separate Division).

Eligibility

(I) Only Maharashtra State Candidature candidates are eligible for these seats

(ii) Eligible Maharashtra State Candidates having their parent's annual income less than Rs. 8.00 Lakhs from all sources shall only be eligible for these seats.

The candidate shall submit Income certificate issued by Appropriate Authority
