Vision

Today we carry the flame of quality education, knowledge and progressive technology for global societal development; tomorrow the flame will glow even brighter.

Mission

To provide conducive environment for preparing competent, value added and patriotic engineers of integrity of par excellence to meet global standards for societal development.

Objectives

- To impart innovative teaching and learning
- To provide quality education with futuristic trends in engineering and technology
- To develop the institute as a research center for academic excellence
- To ensure continual improvement in quality management system
- To inculcate social values, patriotism and professional ethics among the students

Prof. (Dr.) G.K.Patnaik
Principal

On behalf of Shram Sadhana Bombay Trust's College of Engineering & Technology, Bambhori, Jalgaon I heartily welcome you all!

Started in 1983 with scarce infrastructure, developing infrastructural support, particularly in rural area, has been a challenge. Since then the institute with its visionary governing body has transformed into a pleasant, conducive and eco-friendly environment that carry the flame of quality education, knowledge and progressive technology for global societal development.

During these four decades since inception, the institute has evolved to a green campus with consistent efforts and dedication. The campus with lush green lawn, trees with name, pollution free makes more joyful. Towards sustainable development the campus has renewable energy through solar plant, waste water recycling plant, rain water harvesting, garbage composting etc. These amenities make the campus ideal for lifelong learning. The institute has been accredited by various accreditation board/council and bagged several awards during these four decades.

The institute has the policy to create and enhance the infrastructure that facilitates effective teaching and learning. The institute with its huge built up, full greenery campus, ICT class rooms, well equipped laboratories, spacious library, gymnasium with advanced facilities, play grounds, open air theatre, furnished hostels, staff quarters, cafeteria, guest house, renewable energy sources, Internet access anytime – anywhere etc. reflects the vision of the institute.

Making students competent to face real world challenges for better career opportunities & self reliance necessitates quality education. For all-round development of students, moulding them academically, professionally and intellectually through value added and skill education are integral part of our quality education mandate.

Today, the institute is one of the most preferred for fresh aspiring engineering students. We are sure that the kind of infrastructure provided, well qualified & experienced faculty and enthusiastic students will continue to glow the flame even brighter.

Warm Regards & Good Wishes!

Shram Sadhana Bombay Trust

Shram Sadhana Bombay Trust (SSBT) is established in year 1972, under the guidance of our founder chairperson, Smt. Pratibha Devisingh Patil, the former President of India. The Trust has unique vision to impart education in sectors like Engineering, Technology and Management. Shram and Sadhana is omnipotent, and this is our embodiment in an enrichment.

SSBT's COET at a Glance

SSBT's College of Engineering and Technology is an Engineering College governed by Shram Sadhana Bombay Trust (SSBT). It is a College with long tradition of imparting excellence in education.

1) It is included under section 2 (f) and 12(B) of

   UGC act 1956.

2) QMS of College confirms to ISO 9001:2015.

3) Approved by All India Council for Technical

   Education (AICTE), New Delhi.

4) Permanently Affiliated to Kavayitri Bahinabai

   Chaudhary North Maharashtra University, Jalgaon.

5) Three times NBA Accreditation

   i. 2005-2008

   ii. 2008-2013

   iii. 2014-2016

6) NAAC Accredited with Grade B++ (CGPA of 2.91)

Campus

25 acres of lush green campus of the college is located on the bank of meandering river Girna. The College is just about 7 km from the Jalgaon junction railway station and central bus stand. Jalgaon is well connected by train with all major cities of the country and by bus with rest of the Maharashtra State. Ajanta and Ellora caves, the rich heritage of India, are near Jalgaon and can be visited in a day. The Campus is well developed with all basic infrastructural facilities.

Facilities Offered

The facilities available for benefits of students in the campus, some of them are

- Wi-Fi Campus
- Gymnasium
- Yoga Centre
- Canteen and Cafeteria
- Bank, ATM etc.
- Bus facility
- Medical Facility

Workshop

Central workshop houses modern machines available: at carpentry, smithy, moulding, forging, fitting and machine shops. CNC Lathe and Miling machines increase the utility of machine shop.

Computer Labs & Software

The college has vast IT infrastructure with Software and Hardware Every department has its own Computer lab with specialized software relevant to the department. The software expertise available in the college are Ideas, Build Master, Adfast, MDT, Ansys, AutoCAD, Soul, STRUDD, CM (Construction Manager), Super Civil, MATLAB, VLSI Software of Xilinx, PCB Software, GRAM++ etc.

Library

The college has well stacked air cool library having 14000 sq. Ft. area, It has more than 64,000 books costing Rs. 2.22 crores including extensive range of reference books, text books, magazine, newspapers and educational CD's. More than one hundred National and International Journals are subscribed. E-Library consists of E-books and E-Journals subscribed for all departments. Automated Service, a computer aided referencing system, is provided to locate the books easily. The college has institutional membership of DELNET facility and reading room.

Class Rooms

Class rooms are spacious, well-ventilated with natural light and adequate electrical facilities. Ergonomically designed furniture, teaching aids like LCD, Smart boards etc. are used in teaching learning process. The spirit of classroom training encompasses the fundamentals of theoretical and conceptual learning through interactive sessions of case studies, assignments, quizzes and presentation.

Personality development

At COET we expect high level of politeness, decorum and personal presentation at all times. Our students are engaged with experts to learn the art of etiquette. The emphasis is on total personality development, social etiquette, confidence building, body language and accent training. The college facilitates to inculcate all these skill among students of our college. A separate language lab is developed for students to improve their communication skills.

Shram Sadhana Scholarship Scheme

Shram Sadhana Bombay Trust under the able guidance of Managing Trustee Shri Raosaheb has started Shram Sadhana Scholarship Scheme for financially weaker students to help them to complete their engineering education in this college.

Hostels & Staff Quarters

The college has two in-campus boys' hostels which accommodates 800 students and in-campus girls' hostel to accommodate 350 girl students. Solar Water heater, RO System for drinking water, Wi-Fi connectivity, and Indoor games facilities are available for all the inmates. In Campus staff quarters are also available for teaching and non-teaching staff.

Sports and Gymnasium

Sports are an integral part of education system. The college has football ground, cricket ground, 400 meter running track, basketball court and table tennis hall. Well-equipped gymnasium is available on campus. Other Indoor games facilities are also available within the campus, which includes Table Tennis, Billards, Chess, Carrom etc.

Our students represent university in various sports events. Some of them have played at national level also.

Spiritual Environment

A Temple of Lord Ganesha, Godess Saraswati and Godess Laxmiis situated in campus to up keep religious culture. Ganesh festival and Saraswati pooja are popular functions celebrated by students.

Seminar Hall

Every department has seminar hall of 150 seating capacity. Two AC auditoriums with capacity of 165 seats each are also available in the college.

Sant Muktai Auditorium

The Sant Muktai Auditorium is an open air theatre having seating capacity of 2500 students with well equipped stage of 2400 sq.ft. with two green rooms. The statue of "NATARAJA" on stage of this auditorium makes graceful.

Cultural & Co-curricular Activities

To inculcate strong value system based on mutual respect to different cultures and traditions, traditional day, various festivals and annual gathering "Vasant Utsav" are celebrated every year. Beside this students organize various programs like fresher's welcome, farewell to outgoing graduating batch etc. Workshops, Conferences, Add on courses, Project Exhibition for students, Student level paper presentation competitions, Expert Lectures etc. are regularly organized by the college.

Alumni Meet

To promote a sustained sense of belonging to the Alma Mater among the Alumni, the college organizes Alumni Meet every year. The meet provides a good and strong bridge for the students, faculty and the college for mutual benefit and synergy.

Parents' Meet

To foster the interaction with parents as stake holders, the college organizes Parents' Meet every year. Since it is necessary to share responsibility with parent for the holistic development of a student, the Meet provides an opportunity to share progress, achievements, perspective plan, felicitation of outstanding students etc.

Induction Program

In order to make the newly admitted students familiar with the new environment, the college organizes Induction Program every year. The program is of three weeks duration and includes various activities like Yoga, Meditation, motivational talks, introduction to course & department, bridge courses, nurture skill & creativity etc. Through these activities the students get chance to explore their inherent qualities.

Industry Institute Interaction

In order to make students industry ready, the college organizes industrial / site visits that correlates theory and practice. Experts from industry are also invited for delivering lectures on recent technologies and share industrial experiences.

Training & Placement Cell

350+ Placements in 40+ reputed companies like Accenture, TCS, Infosys, Wipro, Capgemini, Cognizant, VMWARE India, Morgan Stanley, Mind tree, Naggaro Software, Atos Syntel etc. in 2021-22.

Registration for placement

The college is registered on some of the eminent job portals/ platforms. Where students were motivated to register to enhance placements

- Firmakur.com portal
- National apprenticeship training scheme (NATS)
- Syntel campus recruitment program for India
- My anatomy recruitment platform.
- National employability test
- Student Innovation/Starts up registration with
- AICTE under Start-up India Initiative Training
- Authorised Partners with Superset
- Board recruitment platform.
- Authorised Partners with Great Learning

Training

The Training programs on IOT, Solar PV System Clean and Green Power, Python for data Science, DOTNET. PLC SCADA, REVIT, ADVANCE JAVA, ETABS, Industrial Automation, Introduction to MATLAB and its Applications, Introduction to AutoCAD and its Applications, Microprocessor and Micro controller. programming, Fearless Spoken English, Instrumentation & Instrumental Techniques of Analysis, Characterization, Quantative Aptitude and Logical reasoning, Group discussion and Resume Building, Analysis of Solid and Liquid waste and Personality Development are arranged for students.

Workshop / Symposium

- Five days' Workshop for TCS Ninja for BE final year students
- One day Symposium was organized on Topic Software Development. The leading Industrialist of Khandesh regions were invited as guest to disclose future challenges among students.
- Three days Student Development Program on "Aptitude Preparation for Campus Drives".
- One day Career Counselling Session on Training & Placement Process and development of Life skill.
- One day online Session jointly organized by T&P cell and Tcs-ion on the topic How to prepare for TCs recruitment drive.
- As part of MOU between Cool Software Solution, Jalgaon and Computer Engg. Dept. and Training and Placement Cell jointly organized an expert lecture on Latest Web development Trends to follow in 2022.

Others

- The college is Remote Center of IITB, Mumbai.
- The college has local chapter of SWAYAM NPTEL

Digital Infrastructure at SSBT

1) Moodle learning management systems

Moodle is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments. In our Institute we have 380+ courses on the Moodle server. The course material of each subject along with lab manuals are available online which can be accessed from anywhere any time.

2) Online teaching & learning

Online teaching and learning has become integral part of the college. The teachers are well trained on usage of online platforms like Microsoft Teams, Cisco Webex, Zoom etc. Sharing of recorded video lectures of all subjects caters the need of differ types of learners / students. Sharing of NPTEL video lectures supplements the need of students.

3) Online Grievance Submission

The college has Grievance Redressal Committee to address issues related to grievances of students. The committee ensures time bound solution to various grievances with an impartial and fair approach. In order to prevent and prohibit ragging in the campus the college has also Anti Ragging Committee.

4) Online Admission

Online admission portal is available to take internal admissions as well as the college fees, university fees etc. may be deposit through admission payment app system.

5) ICT Enabled Class Rooms

Information & Communication Technologies (ICTs)
To keep our students and faculty abreast of the latest developments in their respective field of study, the institute has state-of-the-art campus network with 100 Mbps Leased

line Internet connection that offers round the clock unlimited access of Internet.

Internet facility is available for all systems in the whole campus. The entire campus is optically networked between buildings and cable within the buildings for connectivity. In addition, Wi-Fi facility is provided in all the buildings. Canteen, hostels and quarters are also provided with internet facility through Wi-Fi.

Internet access in the campus is secured and controlled through a dedicated server with open source software as gateway and firewall.

This helps students and faculty to enrich their world-wide knowledge for their educational and research need.

• The college premise is Wifi-enabled:
• ICT Enabled Class Rooms:

The institute has ICT enabled smart class rooms with Wall-mounted Interactive LCD Projector, Duplex Projection Screen, Wi-Fi Access Point, Multimedia Speakers, and Modular Wall-mounted Cabinet with CPU, Keyboard & Mouse, PPT Presenter, and Head Phone with Mike. These class rooms facilitates students and faculty members in teaching – learning.
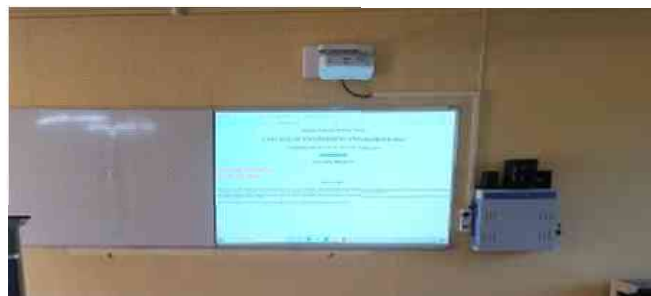

• MOODLE as Learning Management System:

In accordance with trends in e-Learning, the institute has setup Modular Object Oriented Dynamic Learning Environment (MOODLE) as Learning Management System (LMS). LMS helps the faculty members deliver learning materials online to the students. It facilitates the students for self-learning and as well for slow learners.

• Digital Library:

In order to make information more available, the institute has setup Digital Library as digital repository of project reports and research publications. The Digital Library opens new learning opportunities for the students and staff in their area of interest, irrespective of their branch or discipline.

of Science, Technology, Humanities, Commerce & Management, every year the college organizes International Conference on "Global Trends in Science, Technology, Humanities, Commerce & Management".

Testing & Consultancy Services
Well-equipped laboratories for testing of different materials as per Indian Standards codes have been developed by Civil Engineering Department. Both public and private organizations avail these facilities to get their material tested at the college laboratories. All departments maintain a close liaison with local industries, exchange views on technical development and offer consultancy services.

Project Exhibition
To motivate students on converting their ideas to projects, the college organizes University level Project exhibition "Shodh prakalp Pratiyogita" every year. Best projects are awarded with attractive prizes in each discipline.

Shram Sadhana Innovation & Entrepreneurship Development Centre (SSIEDC)
The cell has been established with the name of SSIEDC, in the year 2017 - 18 at SSBT College of Engineering and Technology, Jalgaon with a purpose to create a vibrant local innovation ecosystem and also so motivate the students and faculties for startup supporting mechanism in higher education system.

The functions of this cell are as follows:

1. To organize entrepreneurship awareness camps includes Interaction with entrepreneurs, investors, bankers and government officers etc.
2. To organize project exhibitions for final year students of all branches.
3. To establish relations of institutes with different industries.
4. To create institutional portal for innovation to highlight project carried out by institutional faculty and students.

The college has Shram Sadhana Innovation and Entrepreneurship Development Cell (SSIEDC) under Institute Innovation Council (IIC) to promote incubation & innovation among teachers and students in collaboration with industries.

Anti ragging committee is formed as per the Act that takes cognizance in case of any such act and suggest stringent action as per law.

Department of Chemical Engineering

The department was established in 1996 and having an intake of 30 students at four years Bachelor of Engineering in Chemical Engineering. The department is approved by AICTE, affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra University (KBC NMU), Jalgaon and attained NBA accreditation in 2005, 2008 & 2014. The dept. has a team of qualified, experienced & dedicated faculty having 25 years average experience with several publications in peer reviewed National and International Journals & Conferences.

The department has 11 labs including Mass Transfer I & II, Fluid Flow Operation, Mechanical operation, Instrumentation, Process Control, Chemical Reaction Engineering, Chemical Technology, Computer lab, Project lab and Research lab. These labs are equipped

with latest equipment like Cooling tower, Bubble cap distillation column, Temperature, pressure & flow control trainer, Packed bed, Stirred tank & Plug flow reactors. The Computer lab is equipped with software's like Aspen HYSYS while Project & Research labs are equipped with photo catalytic reactor, Cone penetrometer apparatus, FTIR Spectrophotometer etc. The dept. also has facilities for testing vegetable oils, detergents & effluents & provides consultancy in related areas. The department has smart classrooms and good collection of books and project reports in departmental library.

The department is actively encouraging students to undertake research – oriented & Start – Up related projects. The faculty provides technical assistance & guidance as well as facilitating financial assistance through various schemes. The department conducts expert lectures, seminars / Add-on courses regularly to update students about latest trends & developments in different areas of studies. The department has organized several International conferences. The department has signed MoU with institutes & industry for providing Industrial visits / training to students. The students are encouraged to participate in National / State level events like Dipex project competition, IIChE events.

The department has completed 5 projects (total Rs 5 lakh funded by DST), 2 projects (total Rs 2,62,000/- funded by UGC) & 1 project (Rs 1,52,000/- funded by SSRPS). Our students are regular recipients of Gold Medal from KBC NMU, have received grants from funding agencies and won awards in state level project competitions. Students are facilitated and get successfully placed in reputed organizations like Reliance Industries, Lupin Limited, Thermax Limited, Gujrat Ambuja Exports, Macleods Pharmaceuticals etc., while several students are pursuing higher studies/working overseas. All the laboratories of the department are recognized research lab for PhD by Kaviyitri Bahinabai Chaudhri North Maharashtra University, Jalgaon.

Department of Civil Engineering

The department of civil engineering is working since the inception of the college that is 1983. It is approved by AICTE and is affiliated to Kaviyitri Bahinabai Chaudhri North Maharashtra University, Jalgaon with an intake of 60 at four years Bachelor of Engineering in Civil Engineering. The department has undergone successful NBA accreditation in 2005, in 2008 and 2014. It has several feathers of academic excellence in its cap. The department has qualified, experienced and dedicated faculty.

The department has 12 laboratories including Material Testing Lab, Geotechnical Engineering Lab, and Environmental Engineering Lab etc and equipped with modern equipments like computerized UTM and CTM, Permeability apparatus, UV – Spectrophotometer, Total Station, Digital Plannimeter, Standard Penetration Test Apparatus and Plate Load Test Appartus. The department has facilities for soil bearing capacity determination, testing of building and road construction material as per IS code, testing of water from drinking and construction perspective, wastewater testing, air quality sampling and examination from pollution control point of view and offers material testing and consultancy services to various Government and Private agencies including Central Railways, Western Railways, Ordnance Factory, KBC North Maharashtra University, Zilha Parishad, Municipal Cooperation, NHAI, Private Contractors, etc. The laboratories of the department are recognized for doctoral research work.

Department conducts Expert Lectures, Seminars and 'Add on' courses regularly for skill development of students. It includes in field training of students for SPT and Plate Load Test.

Department encourages students to undertake research oriented and start up related projects while faculty actively provides technical assistance and guidance for funding through various agencies. Students are taken to site visits.

The department has signed MoUs with organizations like PWD Malkapur and Abhijit Patil Construction Company, Jalgaon for providing industrial visits and training.

Gauri kale has been university topper in final year civil engineering exams, 2021 with two gold medals. Students get placed in Government and reputed private organizations like PWD, Railways, Stringer Drafting etc or become civil contractors/consultants. Department generates a revenue of Rs 40,00,000/- yearly through consultancy work in the field of construction material testing, design and third party verification etc.

All the laboratories of the department are recognized research lab for PhD by Kaviyitri Bahinabai Chaudhri North Maharashtra University, Jalgaon.

Department of Computer Engineering

The Computer Engineering Department established in 1987-88 that offers four years Bachelor of Engineering in Computer Engineering with intake of 60 and currently 180. The Programme was accredited by National Board of Accreditation, New Delhi for three times in the year 2005, 2008 and 2014. The department has well qualified and experienced faculty members with good publication in National and International Conferences and Journals. The department has recognized research laboratory for PhD with four recognized guides.

All laboratories are well equipped with the state of-the-art hardware and software and Internet facility. The department has ICT Enabled Class Rooms, MOODLE as Learning Management System and Digital Library. Learning material of all subjects is made available on MOODLE. Project reports and papers published by students are made available on Digital library. ICT Enabled Class Rooms facilitates for effective teaching and learning.

Students of the department participate in various national and international competitions and were winners in Smart India Hackathon (SIH) in the years 2019-20 and 2020-21 and also won the first prize in Manthan Hackathon 2021-22.

The department has Teacher - Guardian Scheme (TGS) to assist the students in their learning difficulties and to monitor their academic performance regularly. Teacher guardian acts as a mentor to students and offers them emotional and academic support along with motivation. The teachers of the department take up the responsibility of nurturing the students to face the professional challenges. For placement of the students supportive learning is provided by the department.

Though the curriculum is upgraded time to time by the university to bridge the gap between academics and industry, skill development programs like Add-on courses, Impact Lecture Series, Expert Lectures, and Peer Learning are conducted to enhance the technical skill sets of students.

The department facilitates internship and industrial trainings to match the students with industrial requirements. Students are encouraged to publish papers based on their project work as a part of social responsibility to share knowledge.

Department of Electrical Engineering

Electrical is a core branch of Engineering and the Department was established in 1999. It is approved by AICTE and affiliate to Kavayitri Bahinabai Chaudhari North Maharashtra University Jalgaon and having an intake of 60 students at four years Bachelor of Engineering in Electrical Engineering. The department had attained NBA accreditation in 2008. The department has a team of qualified, experienced & dedicated faculty. Faculty members have published several papers in National / International conferences & journals.

The department has 11 labs including Electrical Machines, Power System, Electrical Measurements and Network Analysis, Switch Gear and Protection, Industrial Drives

and Control System, High Voltage Engineering, Microprocessor and Microcontroller/Basic Electrical and Electronics, Power Electronics/Analog Digital Electronics Lab. These labs are equipped with latest equipment like 400km long Transmission line study unit, Synchronization of alternators with infinite grid bus, 50KV AC & 70KV DC voltage test set. The department has smart class rooms and departmental library has several books related to syllabus & beyond, project reports etc.

The department is actively encouraging students to undertake sponsored and Start – Up related projects. The faculty provides technical assistance & guidance as well as facilitating financial assistance under various schemes. The department conducts various expert lectures, seminars, Add-on courses regularly to update the students about latest trends & developments in different areas of studies. Department has signed MoUs with various organizations like Prolific Systems and Automation systems Pune, NITech Surat and 7 Parallel Techno Consultants Mumbai, for providing Industrial visits and training to students. The students are encouraged to participate in National and State level events like Dipex Project Exhibition.

Students are regularly performing well at university examination, including gold medals. The department has completed three projects with total Rs.7, 35,000/- funded by MODROBs and IEDC-DST and one ongoing project with fund of Rs. 3, 00,000/- from RGS&TC. UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN

BAHADURSHAH ZAFAR MARG, NEW DELHI – 110 002

UGC REGULATIONS ON CURBING THE MENACE OF RAGGING IN

HIGHER EDUCATIONAL INSTITUTIONS, 2009.

(Under Section 26 (1) (g) of the University Grants Commission Act, 1956)

Dated June, 2009.

PREAMBLE.

In view of the directions of the Hon'ble Supreme Court in the matter of" University of Kerala v/s. Council, Principals, Colleges and others" in SLP no. 24295 of2006 dated 16.05.2007 and that dated 8.05.2009 in Civil Appeal number 887 of 2009,and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the University Grants Commission, in consultation with the Councils, brings forth this Regulation.

In exercise of the powers conferred by Clause (g) of sub-section (1) of Section 26 of the University Grants Commission Act, 1956, the University Grants Commission hereby makes the following Regulations, namely;

1. Title, commencement and applicability.-

1.1 These regulations shall be called the "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009".

1.2 They shall come into force from the date of their publication in the Official Gazette.

1.3 They shall apply to all the institutions coming within the definition of an University under sub-section (f) of section (2) of the University Grants Commission Act, 1956, and to all institutions deemed to be a university under Section 3 of the University Grants Commission Act, 1956, to all other higher educational institutions, or elements of such universities or institutions, including its departments, constituent units and all the premises, whether being academic, residential, playgrounds, canteen, or other such premises of such universities, deemed universities and higher educational institutions, whether located within the campus or outside, and to all means of transportation of students, whether public or private, accessed by students for the pursuit of studies in such universities, deemed universities and higher educational institutions.

2. Objectives.-

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student; and thereby, to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it

3 Under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

3. **What constitutes Ragging.-?**

a. Ragging constitutes one or more of any of the following acts: a. any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;

b. indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;

c. asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;

d. any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;
