Prof. (Dr.) G.K.Patnaik
Principal

On behalf of Shram Sadhana Bombay Trust's College of Engineering & Technology, Bambhori, Jalgaon I heartily welcome you all !

Started in 1983 with scarce infrastructure, developing infrastructural support, particularly in rural area, has been a challenge. Since then the institute with its visionary governing body has transformed into a pleasant, conducive and eco-friendly environment that carry the flame of quality education, knowledge and progressive technology for global societal development.

During these four decades since inception, the institute has evolved to a green campus with consistent efforts and dedication. The campus with lush green lawn, trees with name, pollution free makes more joyful. Towards sustainable development the campus has renewable energy through solar plant, waste water recycling plant, rain water harvesting, garbage composting etc. These amenities make the campus ideal for lifelong learning. The institute has been accredited by various accreditation board/council and bagged several awards during these four decades.

The institute has the policy to create and enhance the infrastructure that facilitates effective teaching and learning. The institute with its huge built up, full greenery campus, ICT class rooms, well equipped laboratories, spacious library, gymnasium with advanced facilities, play grounds, open air theatre, furnished hostels, staff quarters, cafeteria, guest house, renewable energy sources, Internet access anytime – anywhere etc. reflects the vision of the institute.

Making students competent to face real world challenges for better career opportunities & self reliance necessitates quality education. For all-round development of students, moulding them academically, professionally and intellectually through value added and skill education are integral part of our quality education mandate.

Today, the institute is one of the most preferred for fresh aspiring engineering students. We are sure that the kind of infrastructure provided, well qualified & experienced faculty and enthusiastic students will continue to glow the flame even brighter.

Digital Infrastructure at SSBT

1) Moodle as Learning Management System

Moodle is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments. The College has Moodle Server with 380+ Courses. The course material of each subject along with lab manuals are available online which can be accessed from anywhere any time.

2) Digital Library

In order to make information more available, the institute has setup Digital Library as digital repository of project reports and research publications. The Digital Library opens new learning opportunities for the students and staff in their area of interest, irrespective of their branch or discipline.
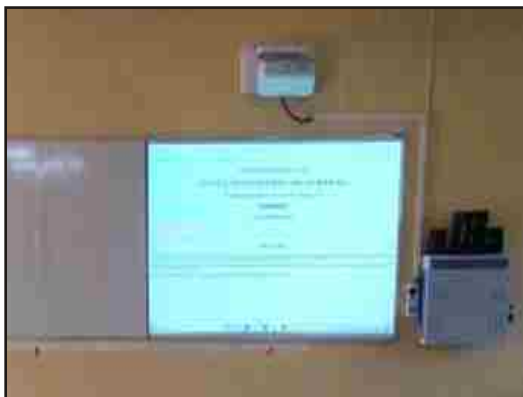

3) Online Teaching & Learning

Online teaching and learning has become integral part of the college. The teachers are well trained to use of online platforms like Microsoft Teams, Cisco Webex, Zoom etc. Sharing of recorded video lectures of all subjects caters the need of differ types of learners / students. Sharing of NPTEL video lectures supplements the need of students.

4) Information & Communication Technologies (ICTs)

To keep our students and faculty abreast of the latest developments in their respective field of study, the institute has state-of-the-art campus network with 300 Mbps Leased line Internet connection that offers round the clock unlimited access of Internet.

Internet facility is available for all systems in the whole campus. The entire campus is optically networked between buildings and cable within the buildings for connectivity. In addition, Wi-Fi facility is provided in all the buildings. Canteen, hostels and quarters are also provided with internet facility through Wi-Fi.

Internet access in the campus is secured and controlled through dedicated firewall.

This helps students and faculty to enrich their world-wide knowledge for their educational and research need.

Our students are regular recipients of Gold Medal from KBC NMU, have received grants from funding agencies and won awards in state level project competitions. Students are facilitated and get successfully placed in reputed organizations like Reliance Industries, Lupin Limited, Thermax Limited, Gujrat Ambuja Exports, Macleods Pharmaceuticals etc., while several students are pursuing higher studies/working overseas.

All the laboratories of the department are recognized research lab for PhD by Kavayitri Bahinabai Chaudhri North Maharashtra University, Jalgaon.

Department of Civil Engineering

The department of civil engineering is working since the inception of the college that is 1983. It is approved by AICTE and is affiliated to Kaviyitri Bahinabai Chaudhri North Maharashtra University, Jalgaon with an intake of 60 at four years Bachelor of Engineering in Civil Engineering. The department has undergone successful NBA accreditation in 2005, in 2008 and 2014. It has several feathers of academic excellence in its cap. The department has qualified, experienced and dedicated faculty.

Vision
Today we carry the flame of quality teaching –learning process to enlighten global society, tomorrow the flame will glow even brighter.

Mission
To provide conducive environment for producing value added competent CIVIL engineers.

The department has 12 laboratories including Material Testing Lab, Geotechnical Engineering Lab, and Environmental Engineering Lab etc and equipped with modern equipments like computerized UTM and CTM, Permeability apparatus, UV – Spectrophotometer, Total Station, Digital Plannimeter, Standard Penetration Test Apparatus and Plate Load Test Appartus. The department has facilities for soil bearing capacity determination, testing of building and road construction material as per IS code, testing of water from drinking and construction perspective, wastewater testing, air quality sampling and examination from pollution control point of view and offers material testing and consultancy services to various Government and Private agencies including Central Railways, Western Railways, Ordnance Factory, KBC North Maharashtra University, Zilha Parishad, Municipal Cooperation, NHAI, Private Contractors, etc. The laboratories of the department are recognized for doctoral research work.

Department conducts Expert Lectures, Seminars and 'Add on' courses regularly for skill development of students. It includes in field training of students for SPT and Plate Load Test.

Department encourages students to undertake research oriented and start up related projects while faculty actively provides technical assistance and guidance for funding through various agencies.
