A brief report on National Youth Day Virtual Posters presentation

Date and Venue: 12/01/2021, MBA Seminar Hall and for poster online platform

Aim/ Purpose: To commemorate the work done by Swami Vivekanand and take inspiration from his ideals.

Objective: The main objective is to promote rational thinking among the youth, believed to be the future of the country. It expected of the youth to rise to the occasion, fight for the right and channel their inner energies, just like Swami Vivekananda would have.

Description about program:

The birth anniversary of great Indian youth icon, Swami Vivekanand is celebrated every year on 12nd January as National Youth Day. To commemorate the work done by Swami Vivekanand and take inspiration from his ideals college has organize Virtual Posters presentation. Poster competitions raise awareness of issues and participation programs. Posters provide visual, colourful, simple ways to communicate community issues and events, and are suitable for display in community spaces. Students submitted their poster through online mode. Sample of one of participants is shown below. Dr. K. S. Wani (Principal) wear garland to the photo frame of Sami Vivekanand and express few words that Swami Vivekananda was a great person who always believed in the youth power to lead and nourish the historical culture of the country.

Outcome: Students search information over internet, by reading books and shown hidden skills to create posters on life of Swami Vivekanand.

Celebration of National Youth Day on 12th January, 2021

Respected Madam /Sir,

As you are aware, the birth anniversary of the great Indian youth icon, Swami Vivekananda is celebrated every year on 12th January as National Youth Day. Swami Vivekananda accorded great importance to youth power towards nation building and universal brotherhood. Swami Ji considered education to be a continuous process in which all aspects of life, such as physical, intellectual, emotional, moral and spiritual should be imbibed. His contribution to the creation of a new modern India is incredible.

To commemorate the work done by Swami Vivekananda and take inspiration from his ideals, Universities and colleges are requested to organize the following activities with enthusiasm and fervor, adhering to the SOP in place in view of COVID-19:

1. Online lectures, Webinars on the teachings of Swami Vivekananda
2. Online Essay writing competitions/ Debate competitions / Creative Writing/Poetry Recitation
3. Designing Virtual Posters depicting his works
4. Using Social media to share his ideas and teachings

Further you are requested to share the activities undertaken by your institution on the University Activity Monitoring Portal of UGC (<https://www.ugc.ac.in/uamp>).

With regards,

Yours sincerely,

(Rajnish Jain)

Brief Report on
E&TC Department ETESA Activity (2019-20)
Hindi Diwas 2019 Celebration

Date and Venue / Location: 14 September 2019, 12:00 PM, E&TC Department Power Electronics Lab.

Aim / Purpose: To commemorate and celebrate the popularity of Hindi throughout the nation.

Objectives:

1. To promote and propagate the Hindi as a official language.
2. As a patriotic reminder to Indian populations of their common roots and unity.
3. To celebrate this day to maintain the importance of Hindi in India so that it will continue for years.

Participant's Profile: SE and TE E&TC Students.

Description about the Program:

To commemorate and celebrate the popularity of Hindi throughout the nation, Hindi Diwas was celebrated on 14th September 2019 by Electronics and Telecommunication Engineering Department "ETESA". Hindi is one of the most widely spoken languages of India, with most of North India celebrating the language as their mother tongue. Every year on Hindi Diwas, the President of India presents the Rajbhasha awards to people for their contribution towards the language at a ceremony in Delhi.

The event was coordinated by Mr. S. K. Khode, Assistant Professor, E&TC department, who welcomed the participants and state importance of Hindi Diwas, then Dr. S. R. Suralkar, HOD E&TC, Addressing the gathering, enlightened the students with various insights into the scope, development and popularity of Hindi. He also informed the students about the job opportunities in the field of Hindi. He also explained the various posts available in Government offices and various other offices like Proof Readers, News Readers, Translators, TV Anchors, News Editors, Hindi Software developers etc. He said that it is important to learn Hindi to reach the people. After this the participants Miss. Meghna Supe, Mr. Huzaifa Khan, Miss. Shweta Garud, Mr. Parag patil, Miss. Yogeshwari Patil and others explained the importance and love of Hindi language in our daily life and some poems and shayari in hindi. The program ended by vote of thanks by Miss. Vaishnavi Talele. Total 30 students with 08 faculties celebrated this Hindi Diwas.

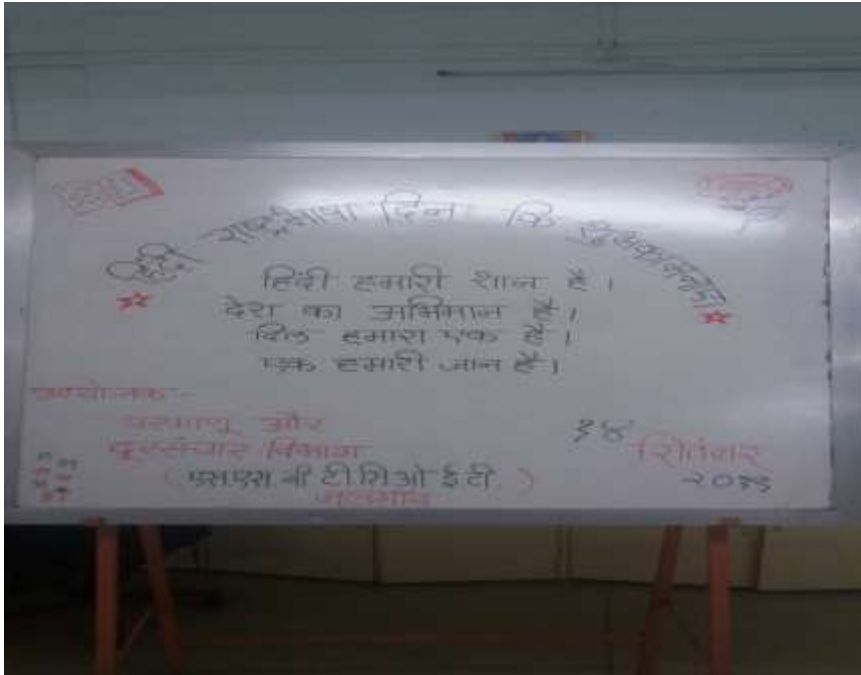

Feedback & Analysis: As per the oral feedback received from the participants it was very interesting session where they got the information regarding Hindi language and importance of Hindi Diwas and committed to use Hindi as a second official language.

Outcomes:

1. Students come to know about the importance of Hindi Diwas.
2. They get aware about the popularity of Hindi language and committed to use Hindi as a second official language.

Recommendations: To organize such programmes regularly.

Brief Report on

E&TC Department ETESA Activity (2017-18)

“ELECTROVISION - POSTER PRESENTATION COMPETITION”

Date and Venue / Location: March 2018, 11:00 am to 4:00 pm, E&TC Department Seminar Hall Room no. 207 and class rooms 301,302, 312 and 313)

Aim / Purpose: This event is organised to create awareness and to develop students skills for visual display of research findings.

Objectives:

1. To present technical and non-technical topics in a creative and abstract way for better understanding.
2. Recognize excellence in student research.
3. To provide platform to students for visual display of research findings combined with an interactive question and answer period with a panel of judges

Participant's Profile: State level diploma and engineering students from all branches.

Description about the Program:

The Department of E&TC Engineering has organized **state level “ELECTROVISION - POSTER PRESENTATION COMPETITION”** under **ETESA** and **IETE student chapter**. This event develops academic, presentation, and communication skills and supports the development of research students capacity to effectively explain their research in a language appropriate to an intelligent but non-specialist audience. The event inaugurated with lightening the lamp by Dr. K. S. Wani Principal along with Dr. S. R. Suralkar and other staff members. In inaugural speech Principal Sir highlighted the importance of poster presentation to student as well as to the public and said; it stands to be very useful for understanding the different & elaborative topics of technology and social issues at a glance. Principal Sir and other judges Dr. P. V. Thakre, Dr. V. R. Diware, Dr. K. P. Adhiya, Dr. U. S. Bhadade, Dr. K. S. Patil, Dr. Amol Landge of the day inspected/reviewed each poster and taught the extra knowledge with pleasure and enthusiasm. Students coordinators Mayur Patil, Deepti Baviskar, Nikhil Sonawane, Dipali Sonawane and others taken efforts and coordinated this event.

In this ELECTROVISION poster presentation event there was Technical and Non-Technical poster presentation category, in technical the theme was “Recent Trends in Technology” in which 95 posters were presented with 290 participants and in non technical the theme was “1. Child Labour, 2. Beti Bachao – Beti Padhao, 3. Swach Bharat” in which 29 posters were presented with 76 participants. Thus this event got a over welling response with more than 366 participants. The students participated, showed positive involvement and smoothly defended their posters in front of the Judges. The overall event was successful and admired in

the college. The prize distribution ceremony held at 4 PM in which the prizes were distributed and also the certificate were awarded to each participants.

Feedback& Analysis: As per the oral feedback received from the participants it was a very knowledge full and interesting event which has provided a platform to the students to visually communicate their research findings and ideas and developed skills of interaction with community.

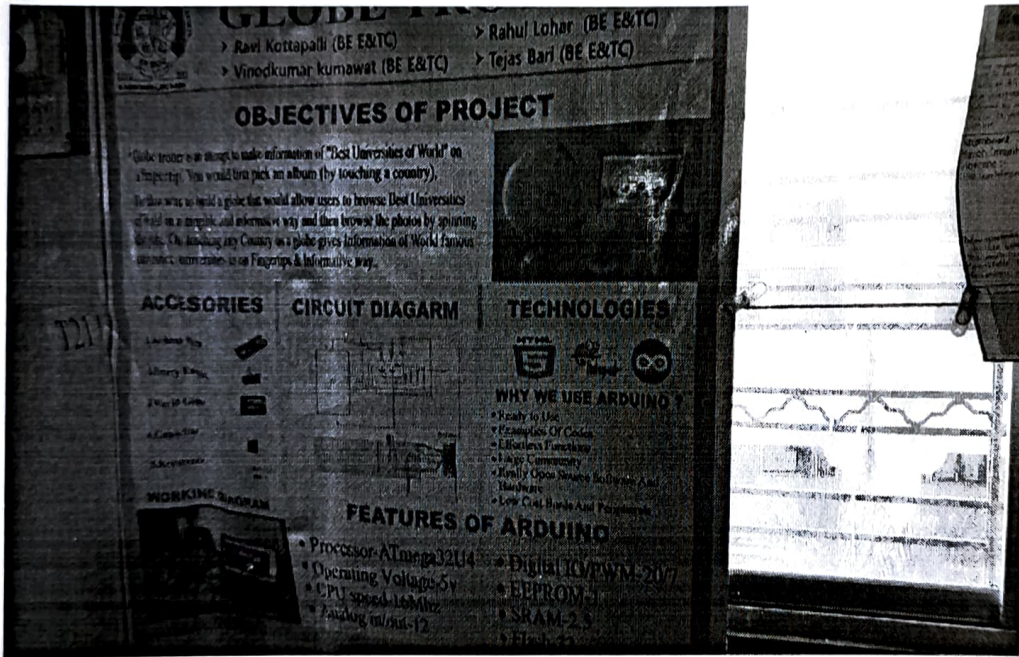

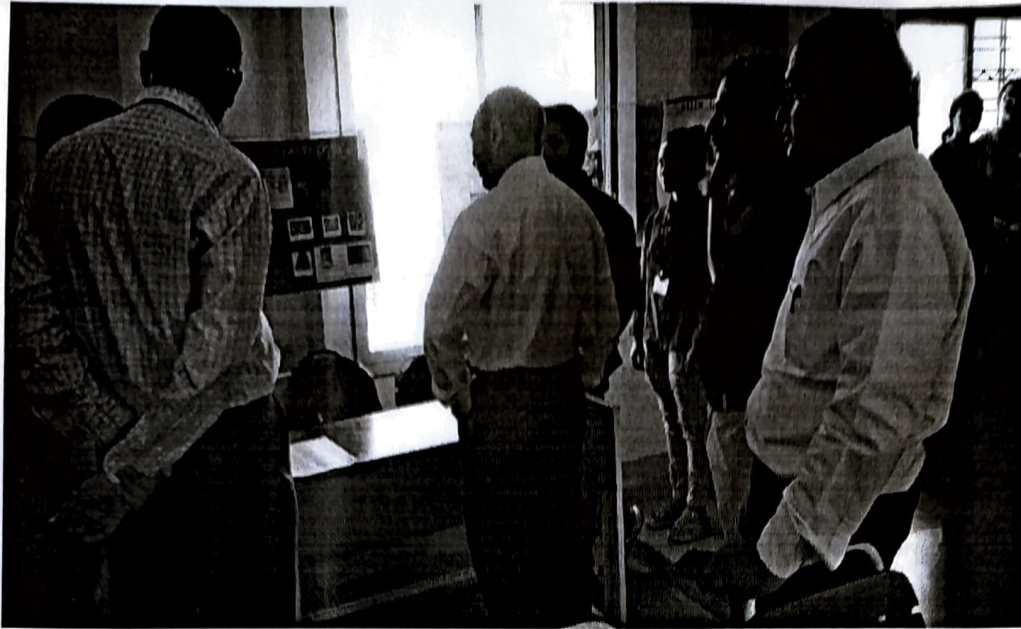

Outcomes:

1. A visual display of current states of community knowledge of an issue, community expectations and visions, and provides an opportunity to answer questions about that issue.
2. Poster presentation has provided visual, colourful, simple ways to communicate research findings and developed skills of interaction with community.

Recommendations: To organize such programmes regularly.
